PRESIDENT'S REPORT

Daughters of North Carolina Division, United Daughters of the Confederacy:—

With a feeling of humility and deep appreciation, since you saw fit to bestow upon me the highest honor in your power, have I discharged to the best of my strength and ability the task before me.

A year has passed and we are gathered here in hospitable Elizabeth City for a review of our achievements.

Soon after Rocky Mount Convention it was my privilege to attend the General Convention at Savannah, Ga., and to feel with you a just pride in the accomplishments of North Carolina Division un-

der the splendid leadership of my predecessor, Mrs. R. P. Holt. It is most fitting that you should be reminded of those honors won:

Alexander Farris Loving Cup, awarded each year to the Division registering the most members between eighteen and twenty-five years of age.

Robert H. Ricks Banner, awarded to Children's Chapter sending in th best report. Won by Manly's Battery Chapter, Raleigh.

Orren Randolph Smith Medal, offered for the best essay on the Confederate Navy. Won by Mrs. R. P. Holt, Rocky Mount.

Second Youree Prize, for the second largest number of Service Crosses awarded to World War Veterans.

Bettie Marriotte Whitehead Prize. Won by Mrs. E. R. Mackethan, Fayetteville, for registering the greatest number of members in the C. of C. during the year.

Second Hyde-Campbell Prize, Fifteen Dollars. Won by Henry Biggs, Greensboro, for the second best answers to "Things We Know."

Prize to the Daughter selling the largest number of copies of "Southern Women in War Times." Won by Mrs. R. P. Holt.

North Carolina contributed more to the Publicity Fund than any other Division.

Is not that a notable record? I wish that every Daughter could attend a General Convention. It is a wonderful and inspiring occasion. Noble women gathered from every section of the country, filled with enthusiasm and working faithfully for the Cause.

When pledges were taken for several worthy efforts, this Division undertook its share of the responsibility. To the Chairmen of the Committees named to raise those Pledges, with their co-workers, coupled with the co-operation of the Chapters who have met their calls, belongs the credit for raising those funds.

North Carolina was so proud of the fact that every Chapter in the Division had paid its Taxes and sent in its Credentials, and for the first time the Division was entitled to its full voting strength. Will you see that this record is not broken this year when it is my privilege to represent you at Hot Springs?

ORGANIZATION

Believing in a well defined plan of organization if worth while results are to be achieved, my first advice given to Chapters was that they stress the necessity of good business methods, urging that each Chapter plan a financial budget for the year, taking into consideration the financial obligations of Chapter and Division and membership of Chapter. It was further suggested that some responsi-

bility be placed upon each Daughter in the Chapters, and that we do not lose sight of the fact that the individual Daughter is the important unit upon which the future of the organization depends. Let each Daughter do her full duty and we will have no fear for the results. To facilitate Chapter efficiency and to assist in the preparation of a budget, an outline of suggestions for work to be planned for each month in the year and a list of the financial obligations of the Division were in the hands of the Chapter Presidents by January 1st. With this information at the beginning of the year, it is possible for every Chapter to plan and bear proportionately its part of the responsibilities of the Division. Many Chapters adopted the plan as suggested and in every instance it has meant a revived interest and feeling of satisfaction. It is the ambition of your President to see this plan adopted by every Chapter in the Division. It will result in greater efficiency and a one hundred per cent, properly balanced report from your Chapter.

Once every month a letter has been sent to the District Directors stressing the obligations for the month and bearing any additional information necessary to the development of the Division. Too much praise can not be given to the Seventeen Directors of the Districts. They have been untiring in their efforts, ever ready to co-operate.

Then the Executive Board, composed of the officers of the Division. To them, I give most hearty commendation. They have served you to the limit of their strength.

ACCOMPLISHMENTS

Relief Work

The first duty of the Daughters of the Confederacy is the care and consideration of the aged Confederate veteran and the Women of the Confederacy. The first official message sent by your President this year was to remind Chapters to make a special effort for these heroes in Gray and their wives. How well you responded to that message will be reported by Miss Martha Haywood and Mrs. H. M. London for the Soldiers' Home, and Mrs. Hunter Smith for the Woman's Home. From your Chapter reports it is evident that you did your duty, locally.

At the General Convention, Savannah, after hearing touching appeals for the aged Confederate Women, in far distant States, with no U. D. C. organizations nearby to give them relief, this Division pledged to raise a total of $280.00 for the Mrs. Norman V. Randolph Relief Fund for needy Confederate Women. $180.00 of this being in honor of Mrs. Cornelia Branch Stone, beloved Ex-President General and Honorary Member of this Division. A total

of $534.00 has been raised for this fund, which includes individual pledges from several North Carolina Daughters.

In this State, at the Sanatorium, with a dime contributed from each Daughter, is maintained the Bessie Beall Reid Bed, where every year several needy persons, suffering from tuberculosis, are given a chance to live. You have contributed a total of $1,118.90 to this fund, for the year. Your chairman for this work has been so interested, and from her you will hear of the instances in which you have ministered to the suffering and have put hope in the hearts of descendants of our veterans.

EDUCATIONAL

No line of our activities inspires one more than the education of children. This Division maintains a fine list of Scholarships—twenty in total. For this year all have been filled after painstaking thought, as to the worthiness of the applicant, by Educational Chairman of the Division and the Director of the Children's Work, who has the awarding of the Scholarships maintained by the Children of the Confederacy. Would I could bring to you in a message the outpouring of love and gratitude from the lips and pens of these boys and girls. A fine young woman, who had recently completed her education with a loan from our Educational Loan Fund, recently voiced her gratitude to you and said, "God Bless North Carolina Division, U. D. C." In this line of your endeavors, Daughters, you are indeed building for the future.

You have your part in maintaining the wonderful Educational Program of the General Organization. The Savannah Convention authorized raising funds to place a Scholarship in the University of Virginia, as a memorial to that great American, Woodrow Wilson, Honorary Member of the U. D. C. When sufficient funds are in hand this will eventually become a Chair of International Law. To this effort, North Carolina pledged $1,000.00 from the Division, and interested individuals and Chapters added to this $525.00, making a total of $1,525.00. This has been raised with a splendid surplus.

Another educational move was a resolution offered by Mrs. R. P Holt of North Carolina, for the establishment of a Fellowship at Randolph-Macon College, in honor of Mrs. Cornelia Branch Stone, with us in Savannah, a sweet and gentle spirit now passed on to "Realms of Glory." To this fund we have contributed $399.50.

An educational effort that has been an obligation on this Division for several years, and is now nearing completion, as far as we are concerned, is the book, "Women of the South in War Times." This book has carried a message and has been received most favorably by the North. North Carolina Division had a quota of a certain

number to sell. Daughters, will you not relieve this Division of that obligation before the General Convention meets? We are so near the goal. Let us not carry this another year. Our Director has worked faithfully. Other Divisions have gone "over the top," can not North Carolina?

HISTORICAL

To preserve the truths of Confederate History can truly be said to be "A Labor of Love" for this Division. Splendid advancement is noted along this line, a newly awakened interest.

The Historian of the Division has worked unceasingly to create interest in Chapters and also has made a special effort to interest the schools of the State in Southern history. If we wish to preserve the truths of history untarnished, we must plant them deep in the minds and hearts of our children. We must impress upon coming generations that history will vindicate the purposes for which their fathers fought.

The United States Government, our united country, of which government we are loyal citizens, recognizes the principles for which the South fought and honors the memory of the Confederate soldiers. Twice within the past year the Federal Government has given evidence of this recognition.

The resolution of Congress to restore the home of Lee at Arlington is a worthy tribute to that matchless leader. The outstanding act, however, by the United States Government that challenges the admiration of the Nation, and in fact the entire world, and forever silences those who have criticized the principles for which the South contended and belittled the struggle of her honored citizenship, is the issuance by the United States Government of the Silver Half-Dollar Memorial Coin. This is an everlasting tribute. Our Government memorializes the great leaders, Lee and Jackson, and the brave soldiers who followed them in these words: "Memorial to the Valor of the Soldiers of the South."

The South should accept this tribute in the spirit it is given, as a recognition of the principles of the cause of the South, and an honored memorial to all of its people.

The coin is beautiful, but the thought and purpose of it is more beautiful. It will last and be treasured in years to come by those who possess it.

To further the efforts of the Historical Department, the United Daughters of the Confederacy have started to raise a fund of $30,000.00, known as the Historical Foundation. It is planned that a moving picture, embodying the history of the South and those principles involved, shall be the first effort from this fund.

This Division has shown a keen interest in this plan and has a total of $465.50 to report.

STARS AND BARS

The Savannah Convention placed a heavy responsibility upon your President, a committee being named to consider the claims for the honor of designing the first flag of the Confederacy—"Stars and Bars." As you know, this matter has once before been before the Daughters of the Confederacy and no decision was reached. After a thoughtful consideration of best ways and means of presenting the claims of our North Carolinian, Orren Randolph Smith, I concluded to have a Brief prepared, setting forth the evidence in hand to prove that the honor belongs to Orren Randolph Smith and North Carolina. General Albert Cox undertook this for us and the Brief has been forwarded to the Chairman of Committee. North Carolina Daughters are indebted to General Cox and his co-workers for their inteest and the work done in the preparation of this document.

Let us not forget the "Confederate Veteran." Its value as a contribution to Southern history can not be estimated. I commend it to you.

MEMBERSHIP

Let me impress upon you the necessity for increasing our membership. It is not only a duty, but a privilege to bring into the ranks of our organization all eligible women that they may share with us the increasing obligations and ever enduring scope of our work. Members, in name only, should not be our objective, but strive for a membership dedicated to service.

MEMORIALS

It was with a feeling of pride that this Division was able to report at Savannah that the permanent markers on the Jefferson Davis Highway were in place. The next step on the part of the Committee will be to present plans for beautifying it.

I regretted so much that illness prevented my acceptance of the invitation to attend the unveiling of the monument at Albemarle, but sent a message, expressing our interest and gratification at the completion of their beautiful memorial.

In April, when the monument to General de Polignac was unveiled at Mansfield, La., it was my pleasure to express your interest in the completion of this memorial. Several years ago this Division undertook to buy a die of General Lee on Traveller, to be used in

marking the Dixie Highway, which passes through western North Carolina. Let me remind you that we have never completed this obligation.

Always interested in the preservation of historic spots in America, this Division has sent the sum of $106.50 to aid in the purchase of Monticello, the home of Thomas Jefferson.

I would have you bear in mind the North Carolina room in the museum at Richmond. Relics are greatly desired and, while we have sent in many rolls of honor, we have a large field to cover before we have exhausted our efforts.

No concerted effort has been made during the past year to increase our Founders' Roll fund. It has seemed wise, under existing circumstances, to await developments.

Chapters have responded to request for aid to preserve the Battle of Bentonville Grounds, to the amount of $157.00. We are hoping to have from the Chairman of the Committee a definite program for the care and upkeep of this important spot.

Last, but in no wise least, for near to our hearts is our Gettysburg Monument. Substantial progress has been made towards the completion of our hopes for Gettysburg. Chapters have sent in creditable sums. Through the combined efforts of the Publicity Chairman of the Gettysburg Committee and the Division Historian not only has the interest in Gettysburg and North Carolina's great achievements there been stimulated, but they have been able to place a substantial sum to the credit of the Gettysburg fund by the issuance of the Supplement. The thanks of the Division are due Mr. Josephus Daniels, of the News and Observer, for his generous contract for printing the Supplement, and for his interest. I ask your special attention to the report on the Supplement. Many Chapters have done their full duty with regard to this effort and it is hoped that all who have not yet done so, will help to spread the truth about North Carolina's part at Gettysburg. The time is coming, Daughters, when we shall ask for aid from the great State of North Carolina to erect a suitable monument, and the distribution of this Supplement may play an important part in influencing sentiment.

CROSS OF HONOR AND CROSS OF SERVICE

Do not neglect to present to any Veteran who wishes it a Cross of Honor, and also do your duty to the World War soldier, descendant of the Confederate Veteran. Not as much interest has been shown as we wish, but I think that Chapters are waking up to the necessity of securing the records of those boys and fastening upon them this honor.

PRIZES

Friends and loyal Daughters of this Division have been generous in offering splendid prizes to stimulate interest along all lines of our endeavors. Those prizes are encouraging and a great stimulus to the different departments. To those who kindly aid our work in this way, I wish to express our sincere appreciation.

DISTRICT MEETINGS

One can scarcely estimate the value of the District work to this Organization. It would not be possible to accomplish what we do, without the fine work of the Seventeen District Directors. Early in the year I planned, if possible, to meet with every District. I was present at sixteen of the meetings and the other one failed to meet, so I was unable to have that pleasure. Everywhere the enthusiasm was fine, from the mountains to the coast. It was a real joy to have the opportunity awarded by these meetings, to know my co-workers. Always I have had in mind to study the needs of each District, to advise and plan for future development of our work. It has been several years ago since the Districts were organized—good roads have been built. Communities seem closer together. Chapters have been organized so that the Districts are properly balanced for efficient work, and particularly in competition for prizes. Taking all situations into consideration, as President of this Division, and after a conscientious, thoughtful consideration of the Districts, and to further advance U. D. C. work, I feel it is my duty to make some changes. To this end and to facilitate the plan I have appointed a Committee of Ex-Presidents to serve with me to arrange the Districts, according to counties, as prescribed by the Constitution.

OFFICIAL VISITS

It was to the Confederate Homes that my mind and heart turned, soon after my election to represent you, and as soon as possible I accepted an invitation to go to Fayetteville as guest of Mrs. Hunter Smith, Chairman of Confederate Woman's Home. I spent most of one day with the dear old ladies, inspected every room and talked with them. It fills one's heart with joy to see the peace and contentment in this Home. To our Chairman and the splendid Matron are justly due the happiness one finds there. As I stood in their midst and felt instinctively the warmth of their feelings for and the reverence in their hearts towards us, Daughters, I had a feeling of humility, and of thankfulness that we are privileged to share in this work. Do you realize, Daughters of North Carolina, that in that Home and in the hearts of our "Old Ladies," we are "Angels of

Mercy.'' Again, in April, I enjoyed the second visit to this Home and had luncheon with them. I found them rejoicing over the recent Legislative Appropriation to make an addition to this Home, so that the capacity will be greatly increased. While in Fayetteville, as your President, I was most delightfully entertained, and addressed the Chapter on our plans for the year.

A few weeks later I spent several hours in the Soldiers' Home in Raleigh. My desire was to find out what would make our Veterans happy, so that I could take a message to the District meetings. Miss Martha Haywood, our splendid and efficient Guardian of the Veterans, and Mrs. H. M. London explained all improvements to me. Did I not know that these ladies are to report to you in detail I would give a full account of the wonderful improvement and conditions there. It has been a great disappointment to North Carolina Daughters that the Legislature turned a deaf ear to our pleas for an increase in Pensions for the Veterans. So little time is left to give them a little care and comfort. It is with a feeling of profound shame that we admit that the grand State of North Carolina does not give its Veterans a pension, sufficient to feed them. To those Women of the Pension Committee, with Mrs. London as Chairman, who faithfully labored to secure an increase, goes the appreciation of the Division. Twice, at the request of the Chairman, as your representative, I went to Raleigh hoping to see a ray of hope, but I must admit I never did. In attempting to explain why the Legislature failed to do its duty by these aged citizens, our Chairman once gave this as an explanation: ''Ladies, I hear politics were in it.'' Doubtless a better explanation has not been found.

It was with regret that I was obliged to forego the pleasure of attending the General Reunion of the Veterans at Dallas, Texas, and to serve General William A. Smith, as Matron of Honor for N. C. Division, U. D. C. Mrs. Sydney P. Cooper, of Henderson, most capably represented me there. It gave me great pleasure to attend the State Reunion at Wilson and to serve General Smith as Matron of Honor, and represent you on Welcome Evening in extending Greetings to the Veterans.

As your President, I have been accorded many beautiful social courtesies, lovely flowers and thoughtful acts that are prompted by the love that binds us together as Daughters of the Confederacy.

Because of illness, and conflicting engagements, I have been obliged to decline several invitations regretfully. The D. A. R. Convention at Asheville, American Legion and American Legion Auxiliary Conventions at Fayetteville, Federation of Women's Clubs at Pinehurst and to be Honor Guest and represent the Division at

the Sesqui-Centennial Celebration of the Signing of the Mecklenburg Declaration of Independence at Charlotte.

BEREAVEMENTS

North Carolina Division has been saddened this year by the loss of two of our splendid Ex-Presidents. After months of weary suffering Mrs. Thomas W. Wilson and Mrs. E. H. Morrison, loyal Daughters and splendid Officers of this Division, passed to the Great Beyond. They labored in faith, wrought mightily and we rejoice in what they achieved. In your name, were sent floral offerings and expressions of sympathy. The Division mourns their death and will ever honor and reverence them.

Our hearts were again saddened by the passing of Mrs. Cornelia Branch Stone, Ex-President General, U. D. C., and Honorary Member of this Division. To our President-General, Mrs. Frank Harrold, upon the death of her Father, was sent a message and, for the Division, a floral offering. Again, when Mrs. T. E. Sprint, daughter of our beloved Mrs. Parsley, lost her husband, it was my privilege to show your love for her. Recently the Daughters and Veterans of North Carolina were saddened by the death of Colonel Bennehan Cameron, always interested in all things pertaining to the Confederacy. We fittingly expressed our sympathy and sorrow.

CONCLUSIONS

Now, dear Daughters, I have attempted to give you an outline sketch of the activities of the year just passed. The responsibilities of this office are heavy, and at times seem more than one can bear, especially when one is so unfortunate as to be very ill during the term. Were it not for the beautiful spirit of love and co-operation, always being manifested, one would not be equal to the task. To those who, with beautiful flowers and kind words, ministered to me when I was so ill; to all of you who have labored faithfully and well, do I wish to express my sincere appreciation. We have perhaps failed in some undertakings, but our efforts in so many more lines have been successful that, as we review the year, we know that we have achieved much, and with our hopes high and hearts right we press onward and upward, with eyes fastened on the bright star of our organization.

Faithfully yours,

MRS. J. DOLPH LONG,
Pres. N. C. Division, U. D. C.

Upon motion of Mrs. Marshall Williams the Convention gave a rising vote of thanks for this splendid and comprehensive report.

On behalf of the Executive Board, Mrs. John Anderson spoke in appreciation of Mrs. Long's service to the Division.

The report of the First Vice-President was read by Mrs. H. M. London and accepted with thanks. Mrs. London presented badge prize.

REPORT OF FIRST VICE-PRESIDENT

Madam President and Daughters of the Confederacy:

I thank the Division for this opportunity that has come to me of close association with our splendid President and her excellent Executive Board during the past year.

It has given me great pleasure in my office as Custodian of Badges to send out 156 application blanks. The Johnston Pettigrew Chapter offered a prize of $10.00 to the Chapter ordering the greatest number of badges during the year. This prize is awarded to the Bethel Heroes Chapter of Rocky Mount, they having ordered 12 badges. The total number of badges ordered was 44.

Respectfully submitted,

MRS. H. M. LONDON,
First Vice-President.

Mrs. R. P. Holt expressed her regrets that Mrs. F. M. Williams, of Newton, was absent from the Convention due to illness in her family and asked that a telegram of love and sympathy be sent her. Mrs. Holt also requested that telegrams be sent to Mrs. O. E. Mendenhall, Recorder of Southern Crosses of Honor; to Mrs. J. Harper Erwin, Third Vice-President, and to Mrs. C. F. Harvey, Ex-President of the North Carolina Division, all of whom were detained at home by illness.

Mrs. L. B. Newell, of Charlotte, requested that a message be sent to Judge and Mrs. I. M. Meekins, of Elizabeth City, expressing the sympathy of the Division in the illness of their daughter, Mrs. T. S. McMullan.

Miss Hadley Woodard read the report of Recording Secretary which was accepted with thanks.

REPORT OF RECORDING SECRETARY

As Recording Secretary I have fulfilled all duties required of me by the Constitution. I arranged and had printed and distributed the Minutes of the Rocky Mount convention. A roster of Divisional and Chapter officers was sent the Corresponding Secretary-General for the General Minutes. I have attended and recorded Minutes of one Executive Board meeting.

Respectfully submitted,

HADLEY WOODARD,

Recording Secretary.

The report of the Registrar was read by Mrs. Emma Wallace and was accepted with a rising vote of thanks. Mrs. Wallace presented Registration prizes.

REGISTRAR'S REPORT

Year Ending September 30, 1925.

Madam President, and Daughters of the Confederacy:

Before submitting my report for the year just closed please allow me to express my appreciation of the confidence reposed in me when last we assembled. It has given me much pleasure to be able to serve you, a privilege for which I am indeed grateful.

The registration of our Division having been completed by my most worthy predecessor there has been no outstanding phase of the work this year. There have been no new Chapters organized; however, I am pleased to report that none of the 109 Chapters have been reported as non-functioning. 592 new members have been added since last we met. Of this number there are a total of 63 demits, 21 having been received from other Divisions, 42 from one Chapter to another. As many members have been dropped during the year. Our Division now comprises a total enrollment of 11,454, a gain of 550 for the year. Of this number 92 are between the ages of 18 and 25. There have been written 491 letters and 39 cards.

Through the kindness of enthusiastic Daughters, there were six prizes offered in this department again this year, each prize being ten dollars in gold. To the Vance County Chapter, Henderson, goes the prize for the greatest increase in membership, 59 new members having been added. The prize was offered by the James H. Lane Chapter, Charlotte. For the greatest percentage of increase in membership, prize offered by Mrs. Felix Harvey, of Kinston, the winner is the Vance County Chapter, Henderson, having an increase of 105 percent.

Prize offered by the Graham Chapter to the District showing the greatest number of new members has been won by District No. 9, Mrs. J. D. Palmer, Director. This District comprises the Chapters of Henderson, Oxford and Warrenton, with a total of 65 new mem-

bers. To the Chapter registering the greatest number of members between the ages of 18 and 25—offered by the John W. Dunham Chapter, of Wilson; this prize goes to the Vance County Chapter, Henderson, they having registered 12 members.

The prize offered by Cape Fear Chapter, Wilmington, to the Chapter whose Registrar sends in the neatest and most accurately prepared applications for membership is won by Robert E. Lee Chapter, Lexington, Mrs. R. C. Bower, Registrar. To the Daughter in the Division securing the largest number of new members Mrs. Forrest Murray, High Point, offers a prize in memory of her sister, Avery Kirkman. This prize has been won by Mrs. Sydney P. Cooper, of Henderson.

To those of you who have made my report possible, I wish to express my sincere thanks for your faithful co-operation. The requirements for membership having grown more rigid each year we have met with many delays and I fear there have been times when your patience was sorely taxed. However, you have one, and all, borne with me loyally, for which I am most grateful.

Respectfully submitted,

EMMA B. WALLACE,
Registrar North Carolina Division.

In the absence of the Chairman of the Auditing Committee the report of this Committee was read by Miss Woodard and accepted.

REPORT OF AUDITING COMMITTEE

We, your Committee on Auditing the Treasurer's Books of the North Carolina Division United Daughters of the Confederacy, beg to submit the following:

We examined the records of receipts and disbursements for the year ending September 15, and found them correct.

We reconciled the bank's and Treasurer's balances and found them to agree.

We verified all cash transactions, tracing the receipts into the bank and verifying all disbursements with cancelled vouchers.

Respectfully submitted,

MRS. ALLEN B. THOMPSON,
Committee.

Mrs. Chas. S. Wallace, Treasurer, read the report of her office. Upon motion of Mrs. H. A. London, this report was accepted with a rising vote of thanks. Mrs. J. Dolph Long then spoke in high commendation of Mrs. Wallace's work for the Division, and stated that she brought a personal message from the Auditing Committee and the banker, who examined the books, to the effect that they had never seen more perfect work.

REPORT OF THE TREASURER

Madam President and Daughters of
the N. C. Division, U. D. C.:

It seems a very short time since we met in our last annual convention, but when one begins a review of what has taken place and the many things that had to be done in connection with the work of our organization, it begins to dawn upon us that a full year has passed—full as to time and work. The record has been made. I doubt that any one of us are satisfied with what has been accomplished and yet we have made progress and have much to be thankful for; I trust we are inspired to go forward to larger and fuller developments.

Last year I reported one hundred and ten Chapters, but I was in error, it should have been one hundred and nine; the number of members on which the taxes were paid was 6,640, and not a single delinquent Chapter. I am very glad to report the same Chapters this year, one hundred and nine, with a membership on which the taxes have been paid of 6,739, an increase of 99 over last year; 'tis with regret however, I have to report one Chapter as delinquent. I have been unable to get a report from this one, notwithstanding the fact that both the President and Treasurer wrote them a number of times urging the necessity for paying the taxes before convention. Many of the Chapters have done exceedingly well and if all the Chapters in the Division had done as well in proportion to membership as these have done, we would show wonderful progress. There will, of necessity, have to come some change in this direction if the organization is to preserve its vitality.

The financial report shows an increase in receipts over last year of $4,472.65, which is very encouraging. This increase, however, is in part due to the miscellaneous funds passing throuhg my hands, in which case the Treasurer acts only as a Clearing House for the funds.

The work has been very exacting this year, particularly so during the extreme hot weather, which we all experienced, but I have

enjoyed it and feel that the energy expended has not been in vain. I trust that next year will show a greater degree of progress and that we may all be permitted to meet again in annual convention. It is a real pleasure for me to express my appreciation for the splendid co-operation of the Chapter Treasurers and all others who have contributed to the success of the work and to thank each and every one of them for their courteous consideration of me.

REPORT OF DIVISION HISTORIAN, 1924-1925

Madam President and Daughters of Confederacy:

In submitting my report as your Division Historian, I beg you to realize dealing with a department of our U. D. C. work which (in the words of our Historian General) "is second to none in deep significance and importance to the general growth and welfare of our beloved organization."

From the Historical reports that have been submitted, which cover only 82 of the 110 Chapters in the Division, we find that our Daughters are showing decided interest in Historic work, and are zealousy endeavoring to uphold the motto of this department, "Loyalty to the truths of the Confederate History."

There are thirty-four Historical prizes for this year, given by Daughters and friends of this Division, and amounting to $372.00, not including the handsome silver loving cup, or the Stars and Bars Flag, or the District Historical prize.

A brief summary of the reports submitted show that there have been 500 Historical meetings held by Chapters; 70 addresses have been made by Confederate Veterans under the auspices of the U. D. C.; 525 reminiscences have been secured from men and women of the Confederacy; 14 museums have been started; several libraries, and 700 war relics collected. Albemarle and Asheville have erected handsome monuments; 322 markers have been placed to Confederate dead; 436 Historical articles and essays have been written by members of the North Carolina Division; 34 prizes given to the North Carolina Division, value $386.00 and loving cup—1 through the General Organization; 12 Histories of Chapters have been written; 47 Confederate scrap books; 2,276 pages of twpewritten Historical articles collected, 11,500 printed pages, 9,654 written pages, and 350 illustrations of Southern subjects; 85 pictures given libraries or public buildings, value $230.00; also 1,130 books placed there, value $482.00 (800 pamphlets); 2 pamphlets have been written and published by members of the Division; 590 records of Confederate ancestors of Daughters submitted—general observance by Chapters and Confederate anniversaries; 160 talks by Daughters on Southern subjects; 13 pageants or plays of Southern events writted or acted; 5 Year-Books of Historical programs. Much publicity given of Southern events by members of Chapters.

Many have reported using their influence through other organizations and through the press for the furtherance of Southern History. Through every report there seems to be a general desire to know better the History of the South and we know personally of the individual work of many of our members which is most gratifying.

The prize offered for the first time for the best Histrical work done through the schools and colleges has met with a fine response. These reports show that 300 talks have been made by Daughters to schools with 42,000 pupils addressed on Southern History; 3,505 essays on Southern subjects were written in schools and 253 declamations given; 59 prizes were presented by Chapters to schools, value $223.00; 625 Southern pictures, value $176.00; and 1,383 books presented, value $874; 206 State and Confederate flags have been placed in schools, value $436.00; 115 histories have been reviewed by Daughters.; 500 observances in schools of anniversaries of Southern Heroes, Poets, or State Events, or North Carolina Day. Many report talks before County Boards of Education and attendance at meetings of County teachers, much material being furnished.

We feel that the Historical work has been most worth-while through the schools of our State and know that it has helped the Daughters in their study of Southern History. The observance of the anniversaries of our Confdeerate Heroes has been the special work stressed in the schools. January 19 was celebrated in every school of many of our counties with readings, declamations and essays, while a number of Confederate flags were presented. The 10th of May was observed with programs and essays in many schools as was June 3rd. Armistice Day was observed with interesting programs, also February 22. Maury's and Admiral Semms' birthdays were observed in many schools, while a Southern Poets Day programs was carried out by the English classes and in some cases in costume of the sixties. The Snow Hill Chapter won the Silver Loving Cup, given by Mrs. C. F. Harvey to the Chapter in the 14th District doing the greatest amount of work in the schools. A committee from the J. E. B. Stuart Chapter, Fayetteville, visited every school in Cumberland County on North Carolina Day, October 12, making talks on State History and presenting a large North Carolina Flag to 21 schools. They also presented books and a bound copy of the U. D. C. Gettysburg Supplement to each. Cannot each Chapter in this Division report this next year? Several Chapters have already reported that North Carolina Flags will be presented later to each County school. Several report Southern Shelves started by Chapters in schools.

In addition to this summary of the Chapters Historical work I wish to mention a few outstanding activities among some. The Historical program at the Veterans' State Reunion at Wilson.

At Asheville there was erected in May a beautiful monument to the North Carolina soldiers who fell at the siege of Vicksburg. In August a handsome and costly monument, surmounted by a Confederate Soldier, was unveiled at Albemarle, in memory of their County's dead. In Greensboro the Chapter is taking part in the establishment of a city museum.

The 34 prizes offered for this year's contests (twice as many as ever before) have met with the most wonderful response from every part of our Division. The large number of essays submitted contained most valuable material and show that our Daughters are studying Confederate History with the key word of our Historical Department ever in mind, "Preparedness." The Chapters sending in the greatest number of essays in this contest are, Orren Randolph Smith Chapter of Henderson, Fannie Patton Chapter of Asheville, Bethel Heroes Chapter of Rocky Mount, and Stonewall Jackson and James Lane Chapters of Asheville, and Ransom-Sherrill Chapter of Newton. These being in close competition. Among these essays is the "History and Accomplishments of the North Carolina Division, U. D. C."

The wonderful number of reminiscences sent in have added much to our records of the sixties. The Historians sending in the greatest number are Mrs. A. J. Ellis, of Raleigh; Miss Anne Wilson (Fannie Patton Chapter) Asheville; Mrs. G. M. Howard, Wadesboro; the J. E. B. Stuart Chapter, Fayetteville; Mrs. Louis Owen, Winston-Salem; while many interesting reminiscences have come in from the pens of Mrs. Hiatt, Kinston; Mrs. Ida Wilkins, Weldon; Mrs. Chambers, Asheville Chapter; Miss Moore, Edenton; Mrs. S. A. Blount, Wilson; Mrs. J. A. Fore, of the Stonewall Jackson Chapter, Charlotte; Miss Georgia Hicks, Faison; and a most unique reminiscence in poetry, the experience of a Confederate body servant, was written by Mrs. George Bunn, Spring Hope. Many Christmas reminiscences of men and women of the sitixes were received as the result of a request broadcasted through the newspapers by your Historian and make a most wonderful contribution to our Historical material. Miss Martha Haywood sent in many Christmas stories from the Veterans of the Soldiers' Home, and the Fayetteville Chapter collected a Christmas reminiscence from every old lady from the Confederate Woman's Home, as this Chapter did from the Veterans at our 10th of May dinner. At Our Veterans State Reunion many valuable stories were gathered by Daughters who were present.

Among the pageants of Southern or State History by Chapters, the outstanding one was that of the Stonewall Jackson, Charlotte, on May 20th, the sesqui centennial of the Mecklenburg Declaration of Independence, in which the U. D. C. portrayed events of their county during the war between the States. The Historian, and originator

of the entire pageant of our former State Historian, Mrs. J. A. Fore. The James Lane Chapter also assisted with the pageant.

The Chapter at Wilmington reports a $1,000.00 pageant for the memorial hall at Stone Mountain in memory of the Battle of Fort Fisher and also their endeavor ot have the site of Fort Fisher made a National Park. An interesting Historical event of the summer was the presentation of Fort Macon (used by the Confederate Governor) to North Carolina by the Governor as a State park. The Fort Macon Chapter at Beaufort assisted in planning this event. Many Chapters report publishing articles on Southern History. A most valuable pamphlet, containing Historic facts of North Carolina, was written and published by Miss Georgia Hicks, former Division Historian. Miss Hicks presented a number of these copies at the last convention (not reported in last year's list) and has since enlarged and re printed it. The prize article on the Administration of Mrs. Livingston Rowe Schuyler was published by your Historian and 500 copies were given to Division Presidents, Historians, and North Carolina Daughters.

Some very attractive Year Books with Historical programs have been prepared by Chapters, the outstanding one being that of the Johnston Pettigrew Chapter, Raleigh. This is ornamented with the Historic Great Seal of the Confederate States. Other well prepared Historical programs sent me are from Charlotte, Rocky Mount, Fayetteville, and Graham.

Some of the Historians have sent in Historical clippings of real value. Mrs. A. J. Ellis, Historian at Raleigh, sent a number of these most attractively bound in red and white. I am very proud of this work of many of our Chapter Historians and may I now submit a very few of the activities of your Division Historians?

My chief aim has been to advance the knowledge of Southern History and my endeavor has been not to leave a stone unturned. To that end I have secured the co-operation of the newspapers of our State, first in publishing my prize list and in emphasizing our Southern anniversaries. I have submitted many articles for publication on the significance of these special days. The Western Newspaper Union has also co-operated in our work. The Review published by the Historical commission has given our Historical Department notices as well as the High School Journal and the North Carolina Teacher. The Historian General has given our Historical Department special mention through her column in the Veteran.

Personal visits, during the hottest weather of the summer, to the State Department of Education resulted in the re-establishing of North Carolina Day for October 12, as set by the Legislature of 1901. Co-operation was given in that program work which secured the pub-

lishing of music to our State Songs. Visits were also made to the Hall of History and Historical Commission in the interest of our work. Right here let me express my great appreciation of the assistance and co-operation which Col. F. A. Olds and Mr. R. B. House have given our department.

The State Library, and the State Library Commission and the University Extension Bureau were also visited. The latter has given great assistance in furnishing material for the Division and has included our Historical Department in its list of organizations to be supplied with reference matter. The Director of the State Library Commission wrote the following to your Historian:

"We will be glad to co-operate in any way possible with those competing for prizes. As you know, it is very hard to secure historical matter on North Carolina; it is not only scarce but very expensive, and we have very little money to spend on scarce books. I am trying to increase our North Carolina collection, and wherever possible purchase books and pamphlets that are within our reach. I believe the greatest good that might come from this contest would be the gathering of reminiscences and facts from local persons. If the contestants in their own locality would hunt up the old soldiers and old residents that lived through the war period they would be doing a great service to collect information from these persons. I hope that many of them will do this as it will be a worth-while contribution to the history of the State."

Personal requests were made to the Boards of Education of several counties in the interest of our work, and letters written to the State Educational Association at their annual meeting. The edorsement was secured of Dr. J. Henry Highsmith, Chairman for North Carolina of the Southern Education Association, of Dr. D. H. Long's pamphlet on Jefferson Davis, to be placed in the schools. I feel that the outstanding work that I can report as your State Historian is the Gettysburg Supplement, which was compiled and edited at the request of the Gettysburg Committee of this Division, with Mrs. Glenn Long as the capable publicity chairman and business manager. Much Historical material that I have been collecting for years was put into this and hours spent in the Hall of History went into its compilation. Many of these copies have been distributed to libraries, schools and colleges through the State and furnish references for study of North Carolina's part in the war between the States. Hundreds and hundreds of letters have been written, and as often as possible to Chapter Historians, to whom I have endeavored to give assistance whenever I could. At each Division meeting I have held a Historian's conference and it was very gratifying to come in personal touch with these splendid co-workers.

A Michigan firm had for its last Christmas calendar a beautiful picture of General Lee. On writing my appreciation of such a tribute to our great leader, from the West, the President of the firm presented me with fifty of these handsome pictures, which I placed in many public buildings over the State.

Official visits were paid to District meetings at Snow Hill, Raeford, Graham and Pittsboro, and my regret was that I could not attend all. I made talks to Chapters at Raleigh (twice) Kinston and Lumberton. It was my pleasure to accept the invitation of Mrs. Doggett, President and Mrs. Nicholson, Historian, Stonewall Jackson Chapter, Charlotte, at the great and wonderful celebration on May 20. In the absence of our State President, I brought greetings from the Division, to the other patriotic Societies assembled there.

Historical material has been sent to our Director for the North Carolina room at the Confederate Museum at Richmond and also to our Scrap-Book Custodian, Mrs. Harry Deaton. The greatest assistance to your State Historian has been given by Capt. S. A. Ashe of Raleigh, Historian and Student of North Carolina and of the Confederacy. His aid and advice have been very valuable to me. The co-operation and ever-ready help of our President, Mrs. J. D. Long, has been the sustaining force in my year's work, for this Division.

On June 3rd, it was my privilege to make a short address to the Veterans, at their State Reunion in Wilson on the birthday of President Jefferson Davis. In September, at the request of our State President, I brought greetings from the North Carolina Division to the American Legion Auxiliary at their annual convention at Fayetteville.

SUGGESTIONS

May I make a few suggestions for your year's work? First of all, keep a weekly report of your Historical activities and send your year's report to me by September 15th WITHOUT fail. Prepare a program of Historical subjects for this year's meetings. Have Christmas reminiscences from every man and woman of your county, of the sixities. Send Historical clippings to the Scrap-Book Custodian. Appoint a special Historical committee over the schools of town and county. Have talks on Southern History given often to schools, and visit and stimulate them to write articles on State and Southern subjects. Add to the special days in school a Southern Poets Day. Place North Carolina Flags and Confederate pictures in every school. Have history written of your county's part in the war between the States.

See that the following books are in school libraries: The Confederate Veteran; Dr. Daniel A. Long's (Franklinton) pamphlet (35

cents) on Jefferson Davis' Rightful Place in History; The South in History and Literature, ($1.50), by Miss Mildred Rutherford, Athens, Ga.; Horton's Youths History which has just been reprinted and edited from the 1869 edition by Miss Mary Carter of Upperville, Va.; The Pocket Book Editions (48 cents), Macmillan Co., N. Y. of Webbers Southern Poets, also McConnells Southern Orators, to use as declamations in schools; Echoes from Dixie, ($1.00), Noble and Noble, 76 5th Ave., N. Y., for musical programs; the Minature copy of the Biggest Book in the World, or the South in the Building of the Nation, by Matthew Page Andrews, 849 Park Ave., Baltimore, ($1.00); and any other books that will give the truths of Southern History. The Chapel Hill Chapter has just printed in pamphlet form Prof. Rulledge's article, "Lincoln as the South Should Know Him."

If this Division had a fund for Historical work, how much better able we would be to advance the cause of Southern History, in sending out material for study. So little of the unbiased truth reaches our students in colleges and even the general public. The time is at hand when we should make greater effort to get our history before the world, but this effort requires funds.

Therefore, I recommend that this Convention appropriate a fund for Historical work of this Division, just as the general convention has done with the Historical foundation.

Second, I also recommend that some use be made of the fine prize essays that have been submitted in the Historical contest and that the Historical Department establish a Reciprocity Bureau to advance the means of obtaining material for research work.

Third, that this Division carry out the idea suggested by a former Historian, Miss Lowry Shuford, in 1921, that the Historical Department issue a Year Book of Historical Suggestions and Programs.

I could fill a volume in telling you what ambitions I have for our Historical Department. My warm appreciation is given those who have assisted me in this year's interesting work, our memorial to the Heroes of the Confederacy. Next to my religion has been my thought for the U. D. C. I beg every Daughter here to pledge herself to renewed effort in advancing the truth of our Southern History as those men who made it grow fewer. May we continue to love our Southland, feel pride in her share in the building of this Nation, and always honor the memory of those who sacrificed all for State rights!

Respectfully submitted,

(MRS. JOHN H.) LUCY LONDON ANDERSON,
Historian N. C. Division U. D. C.

In the absence of Mrs. O. E. Mendenhall, Recorder of Southern Crosses of Honor, her report was read by Miss Woodard and accepted with thanks.

REPORT OF RECORDER OF SOUTHERN CROSSES OF HONOR

Madam President and Daughters:

There were forty-three Crosses of Honor bestowed this past year. Twenty-two of these were to Veterans in the Soldiers' Home at Raleigh. Your Custodian of Crosses presented them on Lee's birthday at the celebration held by the Johnston Pettigrew Chapter and Manley's Battery Chapter Children of the Confederacy, in the House of Representatives. Only three out of the twenty-two who had applied for Crosses were able to attend the meeting on account of sickness and the weather. Miss Haywood took the remaining ones to the Home on Jackson's birthday.

In closing, I want to thank the Chapters who wrote for applications and had a long wait before getting them for their patience. It seemed almost impossible to get supplies from the Custodian General.

Respectfully submitted,

(MRS. O. E.) LIZETTE B. MENDENHALL,
Recorder of Southern Crosses of Honor.

The report of the Recorder of Crosses of Service was read by Mrs. R. P. Holt, and was accepted. Mrs. Holt presented prizes.

REPORT OF THE RECORDER OF THE CROSS OF SERVICE

Madam President and Daughters:

I bring you my first report since you conferred upon me the honor of serving as your Recorder of the Cross of Service, for which I want to thank you as this work has been near my heart from the beginning of the War.

Our work this year has been far from satisfactory for we have been without Oversea blanks since the latter part of June, owing to the critical illness of our Chairman, Mrs. Rountree, but I am glad to report she is better and we will have the blanks from now on.

The following Crosses have been ordered this year: Mooresville, 1; Asheville, High Point and Charlotte, two each; Nashville, Washington and Greensboro, three each; Elizabeth City and Kinston, four each; Newton and Graham, five each; Fanny Patton, six; New Bern,

seven; Wilson nine; Rocky Mount, twenty-five, making a total for the year 81.

Daughters, this obligation should be one of which each Chapter should feel a pride in wiping out for we are not only honoring the boys of TODAY but our men of the SIXTIES, and are collecting history that will mean much in the coming years. I trust next year every Chapter will present as many as three Crosses of Service and of course more if they can.

It now gives me great pleasure to present the two prizes offered for this work. The first prize is given by Mrs. Chas. S. Wallace and Mrs. D. M. Pearsal and it gives me great pleasure to present it to Mrs. J. R. Chambliss, the new President of the Bethel Heroes Chapter.

The second prize is given by the J. E. B. Stuart Chapter of Fayetteville and was won by Mrs. J. Edwin Woodard of the John W. Dunham Chapter of Wilson.

Respectfully submitted,

TEMPE WHITEHEAD HOLT,

Recorder of the Cross of Service.

The report of the Children of the Confederacy was read by the State Director, Mrs. E. R. MacKethan and accepted with a rising vote of thanks.

REPORT OF DIVISION DIRECTOR OF CHILDREN OF THE CONFEDERACY

Madam President and Daughters:

It is with mingled sorrow and joy that I bring my report at the close of another year. Sorrow because of the cessation of most pleasant and frequent intercourse with leaders who have co-operated most heartily in every call. But we rejoice in the accomplishments of the Children, their interest in every phase of U. D. C. work, and contributions to these causes, amounting to $1,518.05.

During the year we have organized, re-organized, and registered ten (10) new Chapters, as follows:

1. Stars and Bars Chapter ..... Gatesville
2. Sophie E. Martin Chapter ..... Elizabeth City
3. Mildred Lee Chapter ..... Albemarle
4. Sallie Drake Twitty Chapter ..... Warrenton
5. Lee's Junior Reserve Chapter ..... Lexington
6. Scotch Grays Chapter ..... St. Pauls

7. Mamie Scott Cross Chapter ..... Sanford
8. John Harvey Guards Chapter ..... Hertford
9. Bell Battery Junior Chapter ..... Edenton
10. Little Confederate Chapter ..... Warsaw

We have registered this year 663 members, making a total during my two years administration of 1,532 members and twenty-one (21) Chapters.

The outstanding work has been educational, the Chapters manifesting an especial interest in our two Scholarships, the "Tempe Whitehead Holt" and the "Nina Webb Wallace," maintained at Greensboro College and N. C. C. W., respectively. These Scholarships were awarded the second year to the same two girls. The Chapters have oversubscribed the required amount, leaving a balance, which added to the balance of last year, enables this department to start a fund, which I would suggest be called our "C. of C. Scholarship Emergency Fund."

Through the generosity and interest of Mrs. E. B. Glenn of Asheville, a third Scholarship was given through the Children of the Confederacy at the University of North Carolina. Mrs. Glenn has given this Scholarship in memory of her husband and is known as the "Eugene Byron Glenn Scholarship." It was awarded to a needy and worthy descendants of a Confederate Veteran. It is valued at $200.00, thus making our total contribution to the three Scholarships $460.00.

The most important work accomplished this year by your Director has been the filing of all C. of C. application blanks in steel filing cases. Acting according to the ruling of the Wilmington Convention, (see minutes, page 43) in Company, and with the valued assistance and advice of our President, Mrs. Long, the cases were purchased, and are almost an exact duplicate of the cases in which the U. D. C. papers were filed by Mrs. Long during her administration as Division Registrar.

Our Historical work was stressed continually during the entire year. The prizes for essays amounted to $100.00.

Memorial Days have been generally observed. Many Chapters report having presented flags, pictures, and books to the schools, including a number of copies of "Our Book."

I am happy to report that in an appeal in behalf of the women at the Confederate Home, that every old lady has been "adopted" by a C. of C. Chapter, some of the children claiming two as their "grandmothers." I can not tell you what happiness this little act on the part of the children has brought to these women in Our Home.

They are most appreciative of every little attention. Many of the Chapters have "adopted" a grandfather at the Soldiers' Home.

As stated, our contributions during the year amounted to $1,518.05. Besides this amount, many boxes and gifts were sent to the Confederate Home, the Soldiers' Home, and to individuals, amounting to several hundred dollars in value.

And now as I come to the close of my two years' term of office, I want to express to all those with whom I have worked so closely, my deep and sincere appreciation of their wonderful co-operation and assistance, and their hearty response to my numerous appeals. I wish to say that I truly regret that I did not secure greater results, where there is such a broad field and wonderful opportunities. I will ever have an abiding love in the C. of C. and now pledge my hearty support to my successor and her band of splendid leaders.

Respectfully submitted,

(MRS. E. R.) LULIE BIGGS MacKETHAN.

The Convention paused at this moment to honor its Honorary Presdents, Ex-Presidents, Veterans and distinguished guests who were present. Mrs. Long, President, stated that the courtesy of the floor was extended to these members of the Convention at all times.

Telegrams of greetings were read by Mrs. H. M. London, in the absence of the Corresponding Secretary. Those received and read were from Gen. W. A. Smith, Commander N. C. U. C. V.; Mrs. J. J. Yates, State President C. S. M. A.; Mrs. F. M. Williams, Newton; Mrs. T. E. Sprunt, of Wilmington; Mrs. Walter Grace, President Georgia Divison; Miss Mary Poppenheim, Charleston, S. C.; Mrs. Edwin Goffigon, President of the Virgnia Division; Miss Jessica R. Smith, of Washington; Mrs. Frank Anthony Walke of Virginia, and Mrs. Frank Harold, President General of the United Daughters of the Confederacy.

Mrs. Cabel Smith requested that the Convention reply to the message of the President-General, and Mrs. H. M. London was instructed to send telegram to Mrs. Harold.

The Convention took a recess for lunch, courtesy of the Elizabeth City Chapter, at one o'clock, to reconvene at 2 o'clock P. M.

FIRST DAY—Afternoon Session

The afternoon session opened with the report of the Committee on the Constitution and By-Laws, which was read by Mrs. Glenn Long in the absence of the Chairman, Mrs. F. M. Williams. The report was accepted with thanks.

REPORT OF COMMITTEE ON CONSTITUTION AND BY-LAWS

Madam President and Daughters of the Confederacy:

Your Constitution Committee Chairman called no meeting of this committee this year because we had no right to act until another year. Your Chairman respectfully asks that each and every Daughter having an amendment to offer to the Constitution or By-Laws of this Division will send same to the Chairman not later than June 1st. As all amendments must be submitted to the Committee before being voted on at Convention and must be sent to the Recording Secretary sixty days before our Convention, it will be impossible to present amendments sent in at a later date.

Respectfully submitted,

FANNIE RANSOM (MRS. F. M.) WILLIAMS,
Chairman.

In the absence of Miss Martha Haywood, Chairman of the Soldiers' Home Committee, her report was read by Mrs. H. M. London, but it was moved, seconded and carried that the detailed report by Chapters be omitted. Miss Haywood was given a rising vote of thanks.

REPORT OF CHAIRMAN SOLDIERS' HOME COMMITTEE

Madam President and Ladies:

Again I am proud to report a year of peace and prosperity for the Soldiers' Home. In many respects, I feel that I am submitting the most satisfactory report it has ever been my pleasure to give to you. The contentment and peace that prevails at the Home, the increasing widening of its scope of benefit is due in a large respect to the loyal support of the Chapters of this Division, and I wish to thank you all in the name of the gentlemen at the Home for the many pleasures you have brought into our lives throughout the year.

From our Superintendent, Mr. W. T. Mangum, we have had the most loyal co-operation. The spiritual and social happiness at the Home has grown increasingly through his gentleness, patience and interest. Early in the year, accompanied by Mrs. H. A. London, Chairman of the Pension Committee; Mrs. H. M. London, Chairman of the Purchasing Committee of the Soldiers' Home; State Auditor Baxter Durham, and Superintendent Mangum, we appeared before the Budget Committee of the General Assembly, and secured our customary yearly appropriation for the maintenance of the Home. Through the kind offices of our constant friend, Representative Walter Murphy, of Rowan, we secured an appropriation of $250 for this year's upkeep of the Confederate cemetery. The Veterans are always interested in all efforts to beautify the last resting place of their comrades, and are very grateful to Mr. Murphy for his efforts in securing the $250. This sum is small, indeed, compared to the needs of the place. Over 2,000 of our soldiers from all sections of the State lie buried in this cemetery, and we, of the Home, will be very grateful for any contribution that can be made to the fund from the Chapters of this Division. The cemetery, as it stands today, is not creditable as an estimate of our appreciation of the services of those who lie there. It is our earnest hope that something may be done before another year has passed to bear witness to those of our feeling in this matter of the cemetery.

We have now at the Home ninety-nine Veterans, thirty of these in the hospital. Four nurses and five orderlies. Mr. Mangum, the matron, sees that the three daily meals are well prepared and balanced each day. Mrs. Dowdy, the Secretary, writes letters home for the Veterans, and adds much by her cheerfulness and good nature, to make the atmosphere of the Home that which we have striven long to make it.

We have lately enlarged the kitchen of the Hospital building and added a small dining room for the use of the nurses, and covered the porch leading from the Hospital to the Superintendent's office. In the summer we installed three large electric ceiling fans, two in the main dining room and one in the dining room of the Hospital. We added, also, two electric exhaust fans to the wards in the Hospital. These additions to the comfort of Hospital through the generosity of the Perquimans, the James H. Lane, Charles F. Fisher, Bell Wilfong and Stonewall Jackson Chapters, have been supplemented with screens, bed rests and tables. Our Hospital staff, Doctor, Nurses, and Orderlies, is kindly, able and efficient. The health record has been remarkably good. Many applications for admission still come to us. The boys of 14, 15 and 16 years of the army of the South at last begin to recognize the years. Many visitors have come to brighten their

days during the past year. First in their estimate in honor and enjoyment was the visit of our President, Mrs. Long. During the session of the General Assembly many of the Senators and Representatives spent the day with us. We gave them for their dinner the turnip salad and meat raised on the place. After a visit, Prof. Robert Lee Madison, Representative from Jackson County, wrote me to express "in behalf of his associated legislators and himself the unanimous favorable sentiment of us visitors, as to the management of the institution and the tender, loving care bestowed upon the old heroes in the Home." This is the opinion of one so devoted to the interests of the Confederate Veterans and of one with so high a standard of excellence in all things that his praise of the Home establishes its present standing without peradventure of doubt. The Veterans attended many sessions of the General Assembly and made many friends for their interests. Senator Bethune, from Clinton, conferred much pleasure by a gift of a generous check for especially desired tobacco. And many other gentlemen of the Senate and House were generous in their efforts for the happiness of the Veterans.

Outstanding among the welcome visitors of the year were 25 of the Durham County Veterans, who came down by motor, accompanied by the members of the Julian S. Carr Chapter, for dinner with us on May 9th. We served to 26 visitors, Veterans, our Veterans and 13 daughters a barbecue dinner, all ingredients grown on the place. Memorial Day, the greatest day in the year, we extended an invitation to dine at the Home to the Governor and the members of his Council of State, Veterans of Wake County, several visiting daughters and many members of the Johnston Pettigrew and Manly's Battery Chapter. To these and our Veterans of the Home, we served a chicken dinner. We enjoyed speeches by Secretary of State Everett and Colonel Olds. Our Superintendent attended to the moving of the piano to the cemetery for our Memorial Day exercises, saw the Veterans well placed in the automobile parade, furnished through the kindness of Mr. H. M. London, by the Rotary Club; moved sixty of our chairs, seats for the Veterans at the cemetery Memorial exercises. The L. O'B. Branch Camp held its annual meeting with us on Memorial Day at the Home and several of the Veterans stayed at the Home for supper and the night .

It has been our pleasure throughout the year to see the Home grow as a community center for all Confederate interests. We have put at the disposal of the L. O'B. Branch Camp a room for their meetings and encouraged in every way possible the visits of all friends of the Veterans. The Motor Corps, of the Red Cross, the Hobby Transfer Company have given the Veterans many enjoyable rides. The W. C. T. U. and Sunday school classes of the Central Methodist

church have bought many flowers for the Hospital. The different churches have sent their choirs to sing for the sick. The Hospital committees of the Johnston Pettigrew and Manly Battery Chapters have brought fruit, magazines and records.

Next to Memorial Day in the hearts of the Veterans stand their Reunion Days. Twenty-six of the Veterans attended the reunion at Wilson, making this trip by bus; reporting on their return the best reunion they had ever shared. This trip was enjoyed through the Eli S. Blackwood fund. Four Veterans attended the reunion in Dallas. We supplied them with lunches for their three days' trip. and provided means for their comfortable night travel. They enjoyed this trip, through the generosity of the U. D. C. Chapters. Mr. London, Chairman of the Purchasing Committee of the Home, supplying $140.00 to defray expenses. For their reunion trips and their Christmas pleasure, the Veterans look to the Daughters of the Confederacy as their best friend.

The following Chapters have added pride and honor to happiness by placing each the name of one or more Veterans of the Home on the Stone Mountain Children's Founders Roll: Perquimans, Manly's Battery, Battle of Bentonsville, W. A. Enloe, George B. Anderson, J. E. B. Stuart, Annie K. Kyle, William Dorsey Pender, Onslow Guards, Cape Fear, Ahoskie, Pamlico, Stonewall Jackson, Robert F. Hoke, Jacob A. Long, Ransom Sherrill.

We have been remembered generously by supplies of good things by the various Chapters from all parts of the State. This Christmas was the most festive and generous that we have ever had. Festivities began Christmas morning. We distributed 106 individual boxes sent by the Stonewall Jackson Chapter. Saturday night we had two Christmas trees, one in the Hospital and one in the Chapel. The Girls' Friendly Society of the Church of the Good Shepherd contributed liberally to the tree in the Chapel. Manly's Battery and the nurses superintended Hospital tree. Many of the men attended both trees. Colonel Olds played Santa Clause on both occasions. Comrade Wiley Johnson added the last touch of sentiment to the occasion with his flute and old songs of the war days. The institution staff, the nurses and the orderlies all received Christmas bags. Sweets, fruits, ice cream, home-made candies and cakes were supplied to the Hospital tree by a Veteran Santa Claus, the Bell Battery Chapter of Edenton, the Hight Point and Jefferson Davis Chapters, C. of C., the James B. Gordon, Charles F. Fisher and Frank M. Parker.

The Superintendent provided a turkey dinner for Christmas day. The tables were lit with Christmas candles in crystal candle-sticks and decorated with holly, fruit and cakes, the gift of the Chapters.

We had most kindly remembrances from the Chapters of every section of the State. The Veterans felt that in the hearts of the Daughters of the Confederacy, their place was first. It was most touching to see the gratitude and appreciation and I wish every member of the Norh Carolina Division could have shared with us the sight of their heartfelt enjoyment of thoughtful gifts of easy chairs, bed side rugs, screens, back rests, hospital tables, percolator, graphophone records, games, sweets, fruits, and cigars throughout the holiday season, contributed by Jefferson Davis Chapter C. of C., Albemarle, Aulander, Transylvania, Chapel Hill, Stonewall Jackson, Dodson-Ramseur, Bell Battery, Frank M. Parker, J. E. B. Stuart, William P. Roberts, Ransom-Sherrill, Graham, Guilford, High Point, Perquimans, Onslow Guards, South Station, Joseph J. Davis, Finch-Bassett, Robert Ricks, Joseph N. Whitford, Pee Dee Guards, Lee County, Scotland Neck, Charles F. Fisher, B. H. Cathey, William Dorsey Pender, Trenton, Pamlico, Clinton Gray, C. of C., Caswell County, Jane Hughes, James B. Gordon, Rebecca Winborne.

For New Year we had oysters for the entire Home from the Emeline J. Piggott of Morehead, and for Easter oysters from the Mary Frances Hancock, C. of C., and a crate of eggs from the Albritton-Suggs, special gifts from the James B. Gordon, Charles F. Fisher, Alamance, Bethel Heroes, John W. Bryant, James H. Lane, have been much enjoyed.

The Julian S. Carr, the Scotland Neck, the James H. Lane, the Perquimans have added to our pleasure in the street car rides, tobacco and fruit.

From Mrs. Wallace, we have received $25.00 for screens in the hospitals and rides from the James H. Lane. From the Stonewall Jackson, $11.63. $5.00 from the Charles F. Fisher. The Belle Wilfong, $2.50; the Annie K. Kyle, $1.00; Cleveland Guards, $10.00; High Point, $10.00; Ransom-Sherrill, $15.00; Old Fort, $5.00. During Fair Week the car tickets have been specially enjoyed. The Veterans are admitted to the grounds on their crosses of honor, and the free rides have given them a week of enjoyment.

Our last party of the year was provided by the Julia Jackson, C. of C., with nine dozen pair of socks, two boxes of cigars, chewing and smoking tobacco.

We have endeavored to give all matters pertaining to the happiness of the Home our personal attention. Have tried to attend all funerals, and endeavored to see that under the colors of the days of his youth, each soldier is borne to his last sleep with dignity and solemnity.

Your interest and support is the keystone of the happiness of the Home. We thank you for it in the past and beg for its continuance in the days to come.

The report of the Women's Home Committee was read by Mrs. Hunter Smith, Chairman, and as in the case of the Soldiers' Home Committee, the detailed report by Chapters was omitted. This report was accepted with thanks.

REPORT OF CONFEDERATE WOMEN'S HOME

Madam President and Daughters:

Little did the State of North Carolina realize the substantial reward, they were giving the survivors, of those who served us in our hour of need and distress. The men who in the flower and glory of youth, had launched their destinies to the Stars and Bars, and now as the sun goes down in the lives of so many destitute Confederate women, they have been provided for, by the people of a grateful and generous State.

The General Assembly of 1925 that made possible an appropriation of $25,000, for additional rooms at the Home, will make glad many hearts that are now on the waiting list. The Home is filled to overflow, we have had to turn the infirmary into a living room, so great was the urgent requests from the homeless. The appropriation asked for by the Directors of the Home, was the only one that was not cut by the General Assembly, while modest they stated that the Confederate Home had always lived within its appropriation, and they wished to grant the request.

Your Chairman who is a member of the Board of Directors of the Home, appointed by Governor Morrison, and Mrs. Charles Rose, Chairman of the Board of Directors, at the request of the Budget Committee, went to Raleigh, and appeared before the Committee in the office of the Governor, before the General Assembly convened, and made our appeal, and stated facts, etc., so we did not have to appear before the General Assembly, feeling our interests were safe in the hands of the Budget Committe, to which we are most grateful.

We were favored by a visit from our State President, Mrs. Long, in the beginning of her administration; she won the hearts of the old ladies, and her visit and kind words of sympathy and commendation will ever remain fresh in the memory of all.

We have had many distinguished guests in our Home this year, among them our Governor McLean, who expressed himself as very much pleased, and had nothing but kind words and admiration for those of us who have labored to make the Home a success. Accompanying the Governor was Hon. N. A. Townsend, Chairman of the Appropriation Committee of last year's Assembly, and Mr. Ben Dixon McNeil, who took a picture of the Home with Governor McLean surrounded by the ladies, and on the Governor's return to Raleigh, he sent the Home a large photograph of himself with the following inscription: "To all those who comprise the happy family of the

Confederate Women's Home at Fayetteville, with assurance of my deep interest and solicitude."

Angus W. McLean,

"The Governor's House,"

Raleigh, N. C., September 1925.

This picture has been nicely framed and now adorns the living room, and is prized highly.

The Children's Chapters of the State, under the efficient leadership of Mrs. E. R. McKethen, have done their full duty. Every lady in the Home has been adopted, and is now under the thoughtful care of a C. C. Chapter, and this does mean so much to them, to feel that some one takes a personal interest in them.

Mrs. Nettles, who was adopted by C. of C., Greensboro, has just returned from a most delightful week-end visit, spent as the guest of her adopted Chapter. This is just one thoughtful act of the many that have been bestowed upon our ladies, of which they are very grateful.

I just wish I had time to relate to you the many kind deeds, and thoughtful acts that are bestowed upon the ladies of the Home. Last spring the T. P. A. Convention met in Fayetteville, the wives of many accompanying their husbands, made a visit to the Home, and were very much pleased, and impressed with the great work. They returned to the city, purchased a box of candy for each lady and a supply of fruit for all, and sent it out; also a Sunshine Basket from the ladies of the T. P. A. and there was only one lady of the number a U. D. C. So you see our work does not only appeal to our U. D. C. women, but others are impressed, for it brings us to our own homes and fire-sides.

During the American Legion Auxiliary meeting in our city, many of the ladies visited the Home, among them Mrs. J. M. Gudger, who made them a most delightful talk.

The donations have been liberal, which are so much appreciated, and do help a great deal in adding a variety to our table. Will you kindly value your boxes, and let us know the value?

Our annual Bazaar was quite a success last year, we realized $85.00 from the sale of articles, which the ladies decided they wanted to put in a nice clock. It is a beautiful clock, which chimes the quarter and hour, and they have gotten much pleasure from feeling that it was their handy work that made it possible, and they still have some of the money for another object.

The Bazaar is held early in December, and the joy they get out of being occupied, and doing something far exceeds the money they

realize. We do not need any scraps, we have an abundance. Pieces of goods for aprons, wool, linen for centers and anything that can be made up will be much appreciated, and will sell.

We still have our beloved Mrs. Beaman, as Superintendent, but as our work has increased, and our family grown more infirm, we have added an Assistant, which we feel fortunate in the selection. Many of our ladies are nothing more than babies and require a great deal of care. We keep two practical nurses all the time, and much of the time three.

Three sweet spirits have taken their flight, and gone to their reward during the past year, Mrs. Orr Sunburst, Mrs. Howard, Tarboro, and Mrs. Richardson, of Murphy, N. C., which was honored as the Grandmother of the Home. These three were all around ninety years of age.

We have never had so many applications in the history of the Home, and by early spring we are looking forward to the completion of twenty new rooms. These rooms will be furnished by Chapters, and by private individuals, as memorials to loved ones. Several have been spoken for already. Those wishing to furnish a room will please write me, that it may be reserved. We will also need a good supply of sheets, spreads, and blankets. The estimate of furnishing a room complete in the present building was about $100, but I feel with the assistance of my two faithful Chairmen for the East and West, Mrs. Fisher and Mrs. Battle, this work will go forward.

Many conveniences have been added to the Home this year, a large back porch has been built, all porches screened, and all the walls of the interior have been gone over, and many of the mattresses and pillows.

Now, Daughters, I come with another hobby—a necessity that is on my heart, and I feel that there is nothing more needed at the Home than a chapel to worship in, and hold the services over our dead. As it now is we only have the living room, which is wholly inadequate to hold the crowds we have at services any Sunday afternoon, and all the services over the dead have to be held in this room, and you can realize the depression this brings to those that have to sit there after a service of this kind. We must have this chapel, and I am not asking the Divisions to undertake this work only in this way. Daughters, don't you know of some philanthropist who would build this chapel as a memorial to some loved one? If not, some friends who would make liberal donations, and make it possible? We want it to seat about one-hundred and fifty, and I am told by an architect that we can build a neat chapel for $5,000 or $6,000. It will be connected with the new annex that is to be

built in a most beautiful location, and will be far-reaching in its good, as there is not a church in over a mile in that section. We have delightful services out there every Sunday, by the respective pastors of the different churches, accompanied by a number of the members of their choir.

During the past week fourteen of the ladies were honor guests at a tea given at the Highland Presbyterian church.

Quite a number of our Daughters have visited our Home, but we are looking forward with a great deal of pleasure to having you all visit us at a very early date, and see your Home, only then can you realize the great work you have accomplished, that of service, sacrifice, and love, and your names will be written high on the scrolls of fame in glory.

Respectfully submitted,
MRS. HUNTER G. SMITH,

Chairman.

TABLET————

Mrs. Marshall Williams spoke in favor of a chapel being erected at the Home and hoped that the Daughters would lend their influence to this project.

In the absence of the Regent of the North Carolina Room in the Richmond Museum, Mrs. Latta C. Johnston of Charlotte, and the Vice Regent, Mrs. Allison Hodges of Richmond, their reports were read by Miss Woodard and accepted with appreciation.

REPORT OF THE REGENT OF THE N. C. ROOM IN THE RICHMOND MUSEUM

Madam President and Daughters of the Confederacy:

It is with sincere regret that I can not be present to deliver my report in person, as one of my pleasures as Regent of the North Carolina Room, is the privilege it gives me of attending the Conventions of North Carolina Daughters, and keeping in touch with the noble work the Daughters are doing. I had the pleasure of spending a day in Richmond in July and of course visited the North Carolina Room. Our efficient Vice Regent, Mrs. J. Allison Hodges, has it kept in perfect order and it was a great pleasure to see the many priceless relics.

Now that the endowment fund is completed, we hope to buy a

new case, which is very much needed for the relics, and will cost at least $125.00.

GIFTS RECEIVED

From the Legislature $200.00 (two hundreds dollars).

From Mrs. John H. Anderson, Historian of the N. C. Division U. D. C., the following articles: A copy of Ex-President Davis' last paper of public nature written from a sick bed just five weeks before his death—The Occasion—The Centennial Celebration of the Ratification by North Carolina of the Constitution of the United States at Fayetteville, November 21, 1789—A Booklet, "Jefferson Davis;" An address by Daniel Albright Long—A copy of The News and Observer—To mark North Carolina's Achievement at Gettysburg—The historical material for the Supplement collected and prepared by Mrs. John H. Anderson of Fayetteville, Historian of the North Carolina Division U. D. C. We are still working to obtain Honor Rolls of the Veterans in North Carolina, and to stimulate activity along this line the Regent offered a prize of $10.00 to the Chapter securing the greatest number of Honor Rolls correctly filled. We hope to deserve your continued support and promise that the work shall have our unabated interest and care.

REPORT OF THE VICE-REGENT OF THE N. C. ROOM IN THE RICHMOND MUSEUM

Madam President and Daughters of the North Carolina Division:

I deeply regret that many engagements in Virginia prevent me from attending this convention of the North Carolina Daughters of the Confederacy, for I had hoped to express my appreciation in person of the splendid response you made to my request for the Rolls of Honor. I have felt mortified for years that North Carolina with her brilliant war record was not represented by a single volume when the list of states was called. I knew though that as soon as

the importance of this work was realized there would be a generous response. I am proud and happy to say that there are now eleven new volumes containing the records of 2,022 soldiers to our credit. I urge that you will continue the good work until the name and service of every Confederate soldier of North Carolina is recorded upon the Roll of Honor and placed in the Museum. This serves not only as a memorial to his patriotism, but it will be available for correct historical data. The most important work the Museum can do is to give to the world the true facts concerning the War Between the States.

I will quote from Mrs. Dunlop, the Chairman of the Memorial Committee, who has labored for years collecting and arranging these records what she says in regard to the work of the North Carolina Daughter: "Too much praise cannot be given to these patriotic ladies of the Old North State who have accomplished this work in the past year, and I hope their example will stimulate other States to do likewise. These eleven new volumes complete a list of 254 volumes containing 40,305 records of the Confederate soldiers." This is a work that any organization can well be proud of.

The Museum constantly grows in interest to the public as evidenced by the increase in visitors, and all are amazed when told that Southern women have done all the work for love of the cause. They say it is the grandest memorial in the world. Last year there were more than ten thousand visitors, and among them some very distinguished people. Colonel John Buchan, one of England's greatest historians, visited the Museum and wrote back saying that "the memorials to the Confederate soldiers collected there were the most impressive objects he saw on the American continent." Also Captain R. G. Lewis of the Royal Tank Corp was a recent visitor. He spent most of his time looking at the relics of Stonewall Jackson whose military tactics and campaigns are still taught in the British military schools. Many of these visitors, even though they live in distant states, have shown their interest in the Museum by becoming Life Members. Among the distinguished Life Members recently received are: Gamaliel Bradford of Massachusetts; Breckenridge Long and Harrison Grigswald Dwight of Washington, D. C., J. Pierpont Morgan who visited the Museum and while there asked to become a Life Member and gave $100.00 instead of $25.00 which is the required sum—he was so impressed with the work. Our very latest and most important member is little Robert Edward Lee IV, son of Dr. and Mrs. Bolling Lee of New York and the great grandson of our beloved General Lee, and though he lives in New York his father writes that he expects to educate him in Virginia and make him a true Confederate so that he will be worthy of the illustrious name he bears.

I wish more of the North Carolina Daughters would become annual and Life Members of the Museum.

GIFTS RECEIVED

Mrs. John C. Rodman of Washington, N. C., presented an autograph album kept at Fort Warren, Boston Harbor, Mass., by James L. Whitehead when a prisoner. Received from Breckenridge Long of Washington, D. C. and Margaret Long (Mrs. H. G.) Chatfield of Dedham, Mass., a remnant of Confederate Battle Flag carried by their father, William S. Long, Color Bearer for 44th North Carolina, who carried the flag in more than forty battles or engagements in which his regiment took part. He told his son that this standard was the only one in the Confederate army that crossed the famous stone wall at Gettysburg and was not captured. William S. Long enlisted as a private and at the end of the war was breveted colonel. Paper, "Keeping the Record Straight for Tar Heels at Gettysburg," by Mrs. John H. Anderson of Fayetteville, N. C. Paper, a review by Capt. S. A. Ashe of an article entitled "Force or Consent as the Basis of American Government," written by Dr. Mary Scrugham of Kentucky. Financial Statement:

Endowment Fund	$5,257.63
For Running Expenses	255.92

Appropriation from North Carolina through Regent, $200.00; this sum is included in the above statement, most of which will be used in purchasing a new case for relics. One-half of the interest on our endowment goes to the maintenance fund of the Museum and any surplus we have left we put to the Endowment Fund.

I thought it would be of interest to the Children Chapters to tell them of the historic dolls in the Museum. In the North Carolina room is a little China doll dressed in a quaint old-fashioned style that was bought at a bazaar given in Liverpool, England, for the benefit of the "Confederate Cause" in 1864. Another doll ran the blockade from England to Charleston, S. C. during the war and was thought such a curiosity that people came far and wide to see her. In the Florida room is "Nina," a large rag doll, whose head is tied on with tape—during the war her head was stuffed with quinine and calomel and carried through the lines to our soldiers. In the Virginia room there are several dolls that are always a delight to the children visitors. One was dressed by Mrs. A. P. Hill during the war and given to her little cousin, Lizzie Lightfoot. She goes to sleep and her cheeks are still very rosy, notwithstanding her great age.

Miss Mary Sperry, formerly of Winchester, Va., gave a very large doll which refuged from place to place with her during the war.

Her name is Mary Scotia and was beloved by a large number of children—receiving from them birthday and Christmas presents—she has on a dotted Swiss dress which was a very rare article during the war.

At the last monthly meeting a doll was presented by Mrs. Betty Mayes Tredway of Emporia. This doll rejoices in the name of General Buauregard, is dressed in yellow jacket, green trousers, black boots and helmet. Miss Mayes, when a child, carried this doll on the streets of Emporia which at that time were filled with Yankee soldiers. In passing them she would yell at the top of her lungs, "Hurrah for General Beauregard," displaying the little doll which seemed to infuriate the Yankee soldiers.

I have answered many letters and with the assistance of the local committee kept the room in order. In closing, I wish to thank our faithful Regent, Mrs. Latta Johnson, and the Daughters for their co-operation and interest in the room.

Respectfully submitted,

MARY GRAY HODGES,

Vice-Regent N. C. Room.

Mrs. Cabell Smith asked that North Carolina Daughters subscribe to membership in the Richmond Museum. Mrs. Long, President, stated that she had ten Year Books of the Museum to be distributed among the Daughters, and upon motion of Mrs. Cabell Smith, the Convention voted to give these books to the first ten members subscribing to membership in the Museum. These ten were as follows: Mrs. L. B. Newell, Mrs. J. A. Fore, the Nashville Children's Chapter, Leonidas Polk Chapter, Bell Wilfong Children's Chapter, New Bern Chapter, Aulander Chapter, Asheville Chapter and Ahoskie Chapter, and Mrs. J. S. Welborn.

The Executive Board report was read by Miss Woodard, Recording Secretary, and accepted without its recommendations. The Convention then acted upon each recommendation separately. Relative to the second recommendation, Mrs. Long, President, stated that the additional taxes were absolutely necessary for the running expenses of the organization. Mrs. Wallace, Treasurer, stated, in connection with recommendation number 3 that she had been forced to borrow money from other funds to take care of the Educational Fund, Floral Fund and the Mrs. Norman V. Ran-

dolph Relief Fund. Mrs. Faison explained that the Sinking Fund was to take care of just such deficits.

All recommendations were adopted unanimously.

REPORT OF THE EXECUTIVE BOARD

The Executive Board N. C. Division U. D. C. met in all-day session, Monday, October 19th, with the following members present: Mrs. J. Dolph Long, Mrs. H. M. London, Mrs. Charles S. Wallace, Mrs. Emma Wallace, Mrs. J. H. Anderson, Mrs. R. P. Holt, Mrs. E. R. MacKethan, Mrs. J. L. Bridgers, Miss Hadley Woodard.

Mrs. Long announced that Mrs. Don E. Scott had tendered her resignation as Corresponding Secretary and that she had appointed Mrs. Allen Thompson, of Graham, to fill the office.

It was decided that in the future the official envelopes used by the officers of the Division shall bear the names of the respective officers, but shall not be stamped with the insignia of the organization.

Suggestions were heard from the various officers in regard to their work.

Respectfully submitted,

HADLEY WOODARD,

Mrs. Marshall Williams, Chairman of the Gettysburg Committee, read the report of that Committee which was most enthusiastically accepted. Mrs. I. W. Faison made a motion that the Gettysburg Monument be made the main work of the North Carolina Division for the coming year. This motion was unanimously carried amid much applause.

GETTYSBURG REPORT

Madam President:

Pursuant to the resolution of the North Carolina Division that the Gettysburg Committee visit the Legislature in the interest of the Gettysburg Monument; Mrs. Felix Harvey, the Eastern Chairman, met me in Raleigh, and we formulated a letter which was sent each Chapter President, asking her to enlist the support of her County Representative in behalf of the Monument bill, which would soon be presented by Mr. N. A. Townsend of Dunn, N. C. We had very good response from the Daughters. Later we appeared in Raleigh and spoke before the Budget Committee of the Legislature. They gave

us a favorable report to take to the Governor. His Excellency received us most graciously and assured us of his profound interest in the importance of the Gettysburg Monument, and asked us to wait a year until State finances were adjusted and then he would gladly help us with our bill. We left feeling that the State would be behind us and ere long a suitable memorial would speak to the two million annual visitors to that battle field of the glorious record of the North Carolina soldiers who wore the grey.

Mrs. L. B. Newell, of Charlotte, N. C., Chairman of the Western Section, could not join us in Raleigh because of the short notice we had; but your Chairman will never forget how Mrs. Newell rallied to the aid of the fund with a $500.00 pledge from her Chapter and the zeal she put forth to raise that amount.

Among the encouraging events this year was the idea of Mrs. Glenn Long, of Newton, N. C., to issue a pamphlet on the history of Gettysburg. The News and Observer of Raleigh made the circulation possible by a very kind reduction in the cost. Mrs. Newell mailed the pamphlets to the Daughters for sale at 10 cents each, and has cleared so far $434.10. Mrs. Long's idea was good, but the material for the pamphlet was the huge undertaking and the Division is indebted to Mrs. John Anderson of Fayetteville, N. C., our able Historian, for the time, thought and research it took to gather this valuable information, it required many trips to Raleigh and days pouring over histories. Personally, I feel I haven't words of sufficient force to thank Mrs. Anderson for her unselfish zeal and for the honor she has brought to the Division in the information that has been broadcast of those stirring times.

The Committee wishes to express appreciation to the President for her live interest in the success of the Gettysburg Fund. Now, Daughters, let me plead with you to know your representatives will vote for our bill when it comes up, and some day North Carolinians will be very proud of a monument to the soldiers who were first at Bethel, fartherest at Gettysburg and last at Appomatox.

Gettysburg Fund: On interest, amount—$6,500.00 at 6%.

Respectfully,

MRS. MARSHALL WILLIAMS.

Miss Violet Alexander requested that the Division Historian place correct information anent the Confederacy in the hands of the guides of the Gettysburg Battlefield.

At 4:30 the Convention recessed to attend a reception at the home of Mrs. C. O. Robinson, tendered by the City Council.

SECOND DAY—Morning Session

The Convention opened Thursday morning at nine-thirty. Morning invocation was pronounced by Rev. H. S. Templeman, Pastor of the First Baptist Church.

A beautiful vocal solo was rendered by Miss Margaret Foreman.

The minutes of Wednesday's sessions were read and approved with slight corrections.

Mrs. Long appointed the following members to serve on the Courtesy Committee: Mrs. I. W. Faison of Charlotte, Mrs. J. T. Stikeleather, Asheville; Mrs. Thomas Wilson, Chapel Hill; Mrs. W. B. Murphy, Snow Hill, and Mrs. John T. Hollister, New Bern.

The report of the Publicity Committee for Gettysburg Monument was read by the Chairman, Mrs. Glenn Long. This report was accepted with thanks. Mrs. Marshall Williams and Mrs. John Anderson highly commended Mrs. Long's work in connection with the Supplement. Mrs. Anderson was also commended for her work in connection with the Supplement. Mrs. Williams stated that the Gettysburg Supplement could not have been put over but for Mrs. Long's untiring efforts and inspiration. Mrs. Long requested that telegrams of thanks be sent to the Catawba News for its co-operation in this connection; also a telegram to Hon. Josephus Daniels expressing the thanks of the Division for his co-operation in printing this Supplement for us at such reasonable cost. Mrs. London was instructed to send these telegrams.

REPORT OF PUBLICITY COMMITTEE GETTYSBURG MONUMENT FUND

162 letters have been written, 1 trip made to Raleigh to confer with Hon. Josephus Daniels, 1 trip made to Fayetteville to select and arrange material. 6,326 copies of Supplement have been sent out, with receipts of $582.65. 53 articles have been sent to State news-

papers, Confederate Veteran and to the third Vice-President, relative to the Supplement. 7 talks have been made.

The report of the Jefferson Davis Highway Committee was read by Mrs. Holt in the absence of Mrs. O. E. Mendenhall, Chairman. This report was accepted.

REPORT OF THE COMMITTEE ON THE JEFFERSON DAVIS HIGHWAY

Madam President and Daughters:

The Jefferson Davis Highway Committee has to report that the markers have been placed along the route from the Virginia line to the South Carolina line.

Now, we must beautify it. This is easier said than done. Your Director wrote several nurserymen about planting crape myrtle trees. Only one replied, J. Van Lindley Nursery Company of Pomona. Your Director then went to Greensboro to see Mr. Lindley and he opened her eyes as to the undertaking. He advises that before any trees are put out, and in order to save having to see every property owner on the route, we get a bill through the Legislature authorizing the width of this route, and also that the Highway Maintenance Force take care of the trees after they are put out. He gave an instance of where water oaks were not put out as soon as they were received and died.

Mr. Lindley's prices for the crape myrtles are fifty cents per tree, he standing the expense of plants, planting, using good soil, etc.

It seems to your Director that this is good advice and I hope the Convention will see fit to accept it.

The Oxford, Durham and Chapel Hill Chapters have done fine work in putting out trees, removing unsightly signs, etc.

In behalf of the Committee,

(MRS. O. E.) LIZETTE B. MENDENHALL,

Director Jefferson Davis Highway Com. N. C. Div., U. D. C.

Mrs. James M. Gudger, Chairman, read the report of the Dixie Highway Committee. This report was accepted with thanks.

REPORT OF THE DIXIE HIGHWAY MARKERS COMMITTEE

With appreciation and pleasure, the Dixie Highway Markers Committee submits the following report:

Of all the emotions that go to make up the human interests of life, there is none that appeals more strongly, and stirs the heart

more deeply, than that of patriotism—patriotism defined means love to God—love for country and love for section.

The Southland is a land of history—a land of traditions—and the South has a heritage that can never be taken away from us. Shall we perpetuate that history, and cherish these traditions, and HOW?

To bring to completion any great movement, three essential elements are necessary—idealism, prompted by vision, imagination and dreams. Visualization prompted by a desire to bring about realization and a concerted action to "carry on." And manifestation prompted by energy, enthusiasm and love for the cause. Back of all these elements is LOVE—which co-ordinates and co-operates in harmony for the good of all.

Our plan for marking the Dixie Highway expresses the great love and admiration we, of the Southland feel for General Robert E. Lee and will live on through all the ages when the countless thousands of this and other generations, pass over this great Highway starting in Michigan and extending to the Gulf of Mexico.

Our State President's co-operation and interest in the movement has greatly strengthened my enthusiasm and purpose to bring to a completion the Highway Markers Fund.

Your Chairman prepared a special letter setting forth the plan whereby each Daughter might take an individual part in buying the original die for the markers. The response was fine, many Chapters contributing ten cents per capita for their membership, and others promising to do so during the year.

If the Chapters will send in their subscription promptly the original die will be bought and the Asheville Chapter hopes to dedicate the first marker on January 19th—Lee's birthday—with a dedicatory service, when the State President and other prominent speakers will be present.

Mrs. Henry A. London, Chairman of the Pension Committee, read her report which was accepted with thanks.

REPORT OF PENSION COMMITTEE

Madam President and Members of the Convention:

Everything possible was done to influence the last General Assembly to increase the Pension. Feeling the responsibility, your

Chairman phoned twice to our President, Mrs. Long, asking her to come to Raleigh and help with work, and advice, and her presence, which she did. But the Legislature felt and said, that North Carolina was too poor to give more than a pittance to her brave Confederate Veterans. However, we were assured that they would not cut down the pension. Possibly the very presence of so many earnest, interested women prevented its being cut down.

Mr. Durham, State Auditor, says:

"The annual pension for the year beginning December 15th, 1925, for the First Class soldiers will be $200.00; for the Second Class, $185.00; for the Third Class, $170.00; for the Fourth Class, $155.00; for the Widows, First Class will be $200.00, and the Fourth Class, $100.00.

"The reason for the big difference between the Fourth Class Soldiers and the Fourth Class Widows is that the last Legislature divided the million dollars giving to the Soldiers $500,000.00 and to the Widows $500,000.00. There are about 3,200 Soldiers on the list and about 5,300 Widows."

From a newspaper clipping:

"There will be about 3,200 soldiers on the pension list this year, Mr. Durham said, 729 soldiers having been dropped during the year, a great majority of those by death, and 294 names have been added during the year.

"There have been 688 widows dropped from the pension roll, and 1,077 names of widows added to the roll."

So you see, while there will be an increase in the Pension on account of death in the ranks, the average pensioner will get only fifty cents a day—not enough to keep a man from starving without having other help. Well, it will not be long that we have to give to them, and we believe that another Legislature will have the pride to give to those few old soldiers left $1.00 a day.

Respectfully submitted,

MRS. HENRY A. LONDON, Chairman.

Mrs. Glenn Long, Chairman of the Mrs. Norman V. Randolph Relief Fund, read her report which was accepted with thanks.

REPORT OF MRS. NORMAN V. RANDOLPH RELIEF FUND

Madam President and Daughters of the Confederacy:

I have sent out 228 letters for this fund. $538.00 has been contributed by Chapters and individuals.

Respectfully submitted,

MRS. GLENN LONG,

Chairman.

Mrs. L. B. Newell, Chairman, read her report on the removal of Anne Carter Lee's remains to Virginia. This report was accepted.

REPORT OF ANNE CARTER LEE GRAVE

Madam President:

As Chairman of your committee, appointed to investigate the matter of removing Anne Carter Lee's remains to Lexington, Va., I wish to report as follows:

After personally discussing this matter with Mr. Howard Jones, of Warrenton, N. C., who is head of the Jones family, and who owns the land in which the remains lie buried, we have ascertained definitely and finally that there is no possibility that such removal can ever be accomplished with consent of the Jones family.

Your Committee, therefore, would recommend that this decision on the part of Mr. Jones be accepted as final.

Respectfully submitted,

MRS. L. B. NEWELL,

Chairman.

In the absence of the Chairman of the Committee on the Perpetual Care of Zebulon Vance's Grave, Mrs. J. T. Stikeleather of the Asheville Chapter, stated that she knew that the grave was being cared for.

In the absence of the Chairman of the Stone Mountain Committee, Mrs. J. E. Woodard, her report was read by Mrs. Walter Woodard and accepted.

REPORT OF THE STONE MOUNTAIN FOUNDERS ROLL COMMITTEE

Owing to the unsettled conditions of affairs relative to Stone Mountain no appeal for funds was made to the Chapters of the North Carolina Division this year. However, thirteen Chapters made vountary contributions totaling $125.85. From this amount a loan of $81.40 was paid to the Division Treasury, leaving a balance of $44.45.

Respectfully submitted,

(MRS. J. E.) MARY HADLEY WOODARD,
Chairman.

Mrs. W. B. Murphy, Chairman, read the report of the Historical Foundation Committee. This report was accepted.

REPORT OF THE HISTORICAL FOUNDATION COMMITTEE

It is with deepest gratitude that I report the contributions from 37 Daughter's Chapters and 12 Children's Chapters to the amount of $465.50, but I can not be satisfied until all the Chapters in the North Carolina Division have done their best for this worthy cause. I have written over 200 letters and made urgent appeals at one District meeting and quite a few Chapter meetings. Our President-General in a recent letter to the "Veteran" says: "Another cause which calls for consecrated effort this year is the securing of funds for the $30,000 Historical Foundation Fund. It is unanimously recognized that the work of the Historical Department in presenting the history of the South, is the most vital of all our undertakings, and we are all charged with the sacred responsibility of doing our utmost for this work."

I fervently hope that the remainder of the North Carolina's quota of $2,000 will be raised during the coming year. We can do it if we will. Please hurry and send Mrs. Wallace a check.

Respectfully submitted,

MARY COLVIN (MRS. W. B.) MURPHY,
State Chairman Historical Foundation.

Mrs. L. B. Newell, Chairman, read the report of the Committee on the Woodrow Wilson Scholarship, which was accepted with thanks.

REPORT OF THE WOODROW WILSON MEMORIAL SCHOLARSHIP

Madam President:

At the General Convention in Savannah, Ga., North Carolina pledged to the Woodrow Wilson Memorial Scholarship Fund a total of $1,525.00.

That our State Division loyally believes in this effort to commemorate the virtues and achievements of our Great War President, is amply shown in the generous response to the campaign made by your committee to raise the amount of this pledge.

It, therefore, gives me great pleasure, as Chairman of this Committee, to report to the Convention that we have raised not only the amount of North Carolina's pledge, but that we have placed in the hands of the State Division Treasurer a total amount of of $1,766.05, which exceeds our pledge by $241.05.

We are delighted to report that while many individuals and a majority of the Chapters have given most generously to this fund, the opportunity to contribute is still open and we will gladly receive further donations.

Respectfully submitted,

MRS. L. B. NEWELL,
Chairman.

The report of the Cornelia Branch Stone Fellowship Committee was given by the Chairman, Miss Hadley Woodard. This report was accepted with thanks.

REPORT OF THE CORNELIA BRANCH STONE FELLOWSHIP COMMITTEE

I was very much pleased to be appointed Chairman of the Committee to raise funds in North Carolina for the establishment by the General Organization of a Fellowship at Randolph-Macon Woman's College in memory of Mrs. Cornelia Branch Stone, for in addition to having been an ardent admirer of this Sweetheart of the Confederacy, I am also a most loyal Randolph-Macon girl.

In the spring I sent letters to the Chapters in the Division asking for contributions. Forty-seven Chapters answered the call, helping the Committee to realize in this manner $424.50. Especially do I wish to thank Mrs. R. P. Holt and the Bethel Heroes Chapter of Rocky Mount for the splendid contribution of $100.00. The John

W. Dunham Chapter of Wilson sent $35.00 and the James Lane Chapter of Charlotte $25.00.

Since the opening of the Convention I have been made very happy in having presented me for this Fellowship $40.00 in prize money; $20.00 by Mrs. R. P. Holt; $10.00 by Mrs. W. F. Woodard, $10.00 by Mrs. J. Ed Woodard—thus making a total of $464.50.

Respectfully submitted,

HADLEY WOODARD,
Chairman.

Miss Woodard expressed her regrets that she had not raised $500.00 for this purpose whereupon Mrs. L. B. Newell of Charlotte pledged $15.00 additional for the James Lane Chapter of Charlotte and $10.00 for the Julia Jackson Chapter (Children's) of Charlotte. The William T. Arrington Children's Chapter of Nashville, through its leader, pledged $10.00, making the total of $500.00. Miss Woodard read a letter received by Mrs. Holt from Mrs. Stone. Mrs. Cabell Smith made a motion, which was unanimously carried, that this letter be inserted in the Minutes.

LETTER FROM CORNELIA BRANCH STONE

"Washington, D. C.
December 2, 1924.

"'My dear Mrs. Holt and Members of the North Carolina Division of the U. D. C., who adopted me as 'Honorary Member' in the days of 'auld lang syne':

"It is not easy to express to you my appreciation of the great honor you conferred on me in the recent general convention, U. D. C., held in Savannah, Ga.

"Your action was so overwhelming in its surprise and the feeling that the Daughters of your State thought me worthy of such distinction among so many fine women of achievement and great accomplishments.

"Therefore I accept it as an offering of love instead of judgment, and this, to me, gives an added value to the tribute.

"None other could have pleased me so well, because of the plan of your bestowal, which embraces the educational benefactions to

the young girls of our country, extending and continuing to future generations.

"When my nightly prayers ascend to our Great Creator and Father, I never fail to give thanks to Him for having raised up many loving friends to cheer me on my journey to the many milestones of old age; for my 'Daughters,' who have striven to stand up on the towers of truth and justice in commemorating the service of our heroes who wore the gray, the matchless army of the Confederacy, to whom I have tried to give loving thought and honor, have inspired me to be faithful to the end, and they welcome me at all times with words and deeds of love.

"Your late offering to honor my name has given me a heart warming for all time.

"Yours loyally,

Cornelia Branch Stone."

Mrs. Cabell Smith, Chairman, read her report on the Thomas Jefferson Memorial. This report was accepted with thanks.

REPORT OF THE THOMAS JEFFERSON MEMORIAL COMMITTEE

Madam President and Daughters of the North Carolina Division:

It is with no small degree of satisfaction that I bring you a report of the liberal response made by this Division to the appeal of this Committee.

Immediately upon receiving the appointment I conferred with Mr. Stuart Gibbonney, President of the Association, and have continued to keep in touch with him during the year. Before the District Meetings I wrote a letter to each of the Chairmen asking that the subject be given a place on the program of each District Meeting. This request was most graciously complied with, and the Jefferson Memorial was discussed at each of these meetings. It was my great privilege to attend the meetings at Durham, Graham and Rutherfordton and to meet many charming Daughters of the Old North State.

Mrs. Matthews, of Asheville, a member of the committee, with the consent of the President of the Division, sent a letter to each

of the Children's Chapters in the State soliciting their interest. This letter received a hearty response also.

The amount suggested by the President of the Division was $1.50 from each Chapter. Some of the Chapters contributed more than this amount. The Stonewall Jackson Chapter, of Charlotte, led with a contribution of $10.00. The General James H. Lane Chapter, of Charlotte; Asheville, Mooresville and Leaksville Chapters gave $5.00 each. The Raleigh Chapter, $3.00 and thirty-seven other Chapters gave the amount requested.

Of the Children's Chapters, the Mary F. Hancock Chapter of Morehead City, led with a contribution of $5.00; Julia Jackson Chapter, of Charlotte, gave $2.50; Bell Wilfong Chapter, of Newton, $2.00, and ten other Children's Chapters gave $1.00 each. A splendid testimonial of their interest in memorial work.

The entire amount given by this Division to date is $106.50.

Please allow me to thank the members of the committee for their fine work, and the Chapters, not only for their checks which were most gratefully received, but for the many expressions of kindness and interest with which my efforts were met.

Respectfully submitted,

MRS. CABELL SMITH,

Chairman.

Mrs. E. E. Moffitt, of Richmond, Va., formerly of North Carolina, congratulated North Carolina in having Mrs. Cabell Smith, an Ex-President of the Virginia Division, as one of its members. Mrs. Marshall Williams stated that North Carolina had made a fair exchange with Virginia in sending her one of our most splendid and beloved women, Mrs. Moffitt. Mrs. Moffitt expressed her love for the North Carolina Daughters and stated that North Carolina women had given $1,000.00 for the Maury Memorial Monument in Richmond. "There is no State in the Union that has outdone North Carolina. She has given one-fifth of the $5,000.00 that is necessary for this purpose." Mrs. Marshall Williams stated that, in honor of his mother, Mr. Herbert Jackson wished to increase the Moffitt Loan Fund to such an amount as to make the Moffitt Loan equivalent to scholarships offered by the North Carolina Division.

At this point Mrs. Long, President, presented the Lane

Banner given by Mrs. T. G. Hyman, of New Bern, in memory of her father, William B. Lane, to the District making the best Annual Report. This Banner was won by the 14th District, Mrs. W. B. Murphy, leader. District Number 3 made the second best report. Mrs. Long announced that the John W. Dunham Chapter, of Wilson, was the recipient of the Carrie Watson Pearce medal, given by Mrs. T. L. Craige of Gastonia, in memory of her sister, to the Chapter making the highest record during the year in all departments of our work.

The Sallie Bunn Thorpe prize of $10.00 in gold offered to the Chapter of fifty members, or less, making the highest record along all lines during the year, was awarded the Wilkes Valley Guards Chapter of North Wilkesboro.

The Convention took a recess for the Memorial Service.

SECOND DAY—Afternoon Session

After a delicious luncheon tendered by the Elizabeth City Chapter, the Convention re-convened at two o'clock.

In the absence of Mrs. F. M. Williams, Chairman, the report of the Lee Memorial Committee was read by Mrs. Glenn Long, and duly accepted.

REPORT OF THE DIRECTOR OF THE LEE MEMORIAL CHAPEL

As authorized by the General Convention in Savannah your Director sent a letter to every Chapter in the Division asking that a vote of its members be taken as to whether or not the money contributed to the Lee Memorial be returned to the Chapter or held as a Trust Fund for the future needs of the Chapel.

The returns show that the Chapters wish the money held as a Trust Fund since there has not been one dissenting voice heard from among the majority of the Chapters.

Respectfully submitted,

FANNIE RANSOM WILLIAMS,
Director.

Telegrams of greetings were read from the following: Mrs. J. P. Higgins, Treasurer-General, St. Louis, Mo.; Mrs. J. B. Goode, Rocky Mount; Mrs. Annie B. Fogg, Secretary Kentucky Division; Mrs. R. E. Little, Wadesboro; Mrs. Mary Parker Battle, of Rocky Mount; Mrs. P. S. Rothrock, Mt. Airy.

Mrs. London was instructed to send this telegram.

The report of the "Women of the South in War Times," was read by the Director, Mrs. R. P. Holt. This report was accepted, following which Mrs. Holt asked that pledges be taken from the floor for the disposal of the balance of North Carolina's quota of these books.

REPORT ON OUR BOOK, ' 'WOMEN OF THE SOUTH IN WAR T IMES''

Madam President and Daughters:

I had hoped and prayed that I mig ht bring you today a finished report on OUR BOOK but I have found hat impossible but the goal is so near I hope before we leave this b uilding this obligation can be wiped from our calendar.

This year the following Chapters have mpleted their quotas: Mooresville, North Wilkesboro, Salisbury, Gates ille, Elizabeth City, Lenoir, Enfield, Leaksville, Morehead City, Spri Hope, Nashville, China Grove. High Point bought her quota last yea but ordered two copies this year. Charlotte had gone far over her q ta but ordered 30 copies this year and Rocky Mount bought 50 copies this year.

The following have sent in orders this year but h re not completed their quotas: Yanceyville, Brevard, Trenton, masville, Clinton, Weldon, Halifax, Pittsboro.

The Children's Chapters have ordered a few books this yea of those ordered by Charlotte were shipped to the Leader of ten Julia Jackson Chapter, then the following Chapters ordered one each —Enfield Blues, Mary Francis Hancock, Stars and Bars, Eva C. Davis, Matt W. Ransom.

There have been 207 copies ordered through my office which makes our quota now only 154 and I have faith that you will wipe those out before leaving here today.

Only 49 Chapters have ordered their quota, is your Chapter one of those? If not, won't you right now give me an order and make it possible for our President to report at Hot Springs that her Division has completed its quota.

Respectfully submitted,

TEMPE WHITEHEAD HOLT,

Director.

The several Chapters will later sell these books. This motion was duly seconded and carried by unanimous vote.

Mrs. R. P. Holt, Chairman, read her report on "The Confederate Veteran." This report was accepted. Mrs. Holt presented prizes.

REPORT OF THE DIRECTOR FOR "THE CONFEDERATE VETERAN"

Madam President and Daughters:

The General Organization placed an obligation upon us in 1919 at the Louisville Convention but few have ever fulfilled it, that was that every Chapter should send in one subscription each year to the "Veteran" regardless of the number of personal subscriptions from the Chapter.

Has your Chapter sent its subscription this year?

The following subscriptions have passed through my office this year: Ahoskie, Beaufort, Brevard, Cary, Edenton, Fayetteville, Greensboro, Halifax, High Point, Littleton, Lumberton, Morehead City, Old Fort, Pollocksville, Scotland Neck, Shelby, Spring Hope, St. Paul, Thomasville, Trenton, Warrenton, Winton have each sent in one; General James H. Lane, Durham, Elizabeth City, Gastonia, Gatesville, Graham, Hertford, Lexington two each; Stonewall Jack-

son, Enfield, Mooresville, Nashville, Wilson three each; Mt. Airy, North Wilkesboro, Snow Hill, Sylva five each; Hookerton, Tarboro six each; Greenville ten; Rocky Mount 12; Asheville 42. Total 149.

The following C. of C. Chapters have subscribed: Henderson two; Morehead City, Newton, Littleton, Raleigh and Fayetteville one each. Total 7. Grand total 156.

Now, Daughters, our report would have been better if all who have subscribed had sent their orders through this channel. Some have written me that they sent theirs direct and I have been able to get credit for our Division for those, so in our report at Hot Springs we will be given credit for about 170.

Again thanking you who have subscribed and trusting another year every Chapter will fulfill this obligation.

It now gives me great pleasure to present the ten dollar gold piece which is given by the Ransom-Sherrill Chapter in memory of Orren Randolph Smith, to Mrs. P. R. Young of the Asheville Chapter, she having sent in 42 subscriptions this year.

Respectfully submitted,

TEMPE WHITEHEAD HOLT,
Director.

Mrs. Harry P. Deaton, Custodian of the Scrap Book, made her report which was accepted. Mrs. Anderson spoke of the importance of sending in material for the Scrap Book to Mrs. Deaton.

REPORT OF CUSTODIAN OF SCRAP BOOK

The making of a Scrap Book is an interesting thing and I have enjoyed handling the one for the North Carolina Division. Very few Daughters remembered the Scrap Book. I am indebted to Mrs. Anderson and Mrs. Holt for the only articles sent. Mrs. Holt sent a number of newspapers and clippings; Mrs. Anderson, pamphlets. The most interesting thing sent by Mrs. Anderson is a printed scroll containing the last public letter written by Jefferson Davis, declining the invitation to Fayetteville to attend the Centennial celebration of the ratification by North Carolina, of the Constitution of the United States on November 21, 1789.

Respectfully submitted,

MRS. HARRY P. DEATON.

The Convention diverged from business to accept invitations for the next Convention. Mrs. Shuler of the J. E. B. Stuart Chapter of Fayetteville, extended a charming invitation from that Chapter to the Division to hold its next meeting in Fayetteville. Mrs. L. E. Fisher of District Number 1, stated that she had been prepared to extend an invitation from that District, but after conferring with the Fayetteville delegates had consented to postpone her invitation until a later date.

Splendid reports were heard from Districts 1, 2, 5, and 10, through their Leaders.

The Convention was suspended at 3:30 for a trip down the Pasquotank on the "Annie L. Vansciver," courtesy of the Rotarians and Mr. C. W. Burch of the North River Line.

Mrs. Glenn Long made a motion that the President appoint a Chairman for this Committee, stating that there were a number of Chapters not represented which would probably like to make a contribution to this fund. This motion was seconded and carried.

Mrs. H. M. London made a motion that the Division have as one of its objectives the raising of funds to make the Confederate Cemetery at Raleigh one of the beauty spots of the State. Mrs. London stated that the Federal and city cemeteries of Raleigh were in a fine state of preservation, but that the Confederate Cemetery was in poor condition. The Raleigh Chapter had secured information from Mr. J. Van Lindley that the approximate cost of putting the Confederate Cemetery in proper condition, including terracing, rolling, planting shrubbery, etc., will not exceed $1,500. Mrs. Marshall Williams stressed the importance of having this cemetery in an excellent state of preservation. Mrs. H. A. London stated that this is one of the greatest and most important things that the Division should do. Mrs. Marshall Williams explained that the Division is not expected to raise the entire sum this year, but suggested that each member take the idea to her home Chapter so that ultimately the project may be accomplished.

Mrs. H. M. London made an additional motion that the President appoint a special committee, called "The State Confederate Cemetery Fund Committee," to solicit all funds for this purpose. These two motions were seconded and after being read by the Recording Secretary, unanimously carried.

The report of the Courtesy Committee was read by Mrs. I. W. Faison. This report was accepted.

REPORT OF THE COURTESY COMMITTEE

We, the committee appointed by our President, Mrs. Dolph Long, of the N. C. Division, U. D. C., deem it an honor to serve on the same, and will try to express our deep appreciation of the hospistality which the U. D. C. and the people of Elizabeth City extended to us.

We consider it one of the finest and most enjoyable conventions we ever attended. The city and its people have opened wide their gates for us and we entered in and enjoyed the hospitality offered, with enthusiasm, and thank each and every person and organization with all our hearts, and assure them we have enjoyed every minute of our stay in their beautiful, old, and historic city.

We expected to have a grand time, but our realizations have gone away beyond our expectations. We have felt the welcome of Southern hearts and old-time Southern hospitality. Last, but not least, Madam President, we thank you for your fairness, conciseness and justice, your grace as a presiding officer, your gentleness and tact at all times. Your Daughters greatly appreciate you and your work.

We wish to thank Mrs. C. D. Bell, President of the D. H. Hill Chapter, U. D. C., our hostess Chapter, and Mrs. S. M. Gregory, Chairman of the Hospitality Committee. Ladies and gentlemen furnishing the musical programs for our meetings and entertainment. The quartette of "Confederate" men for their fine selections on our Historical evening. For the elegant luncheon given by the Executive Board of the D. H. Hill Chapter to the Division Executive Board. For the banquet and the two noon luncheons given by the D. H. Hill Chapter and so beautifully served by the ladies of the Methodist church. For the lovely reception given at the home of Mrs. C. O. Robinson, courtesy of the City Council. For the ride down the picturesque and broad Pasquotank river, "where the bull frogs jump from bank to bank," given by Capt. C. W. Burch of the North River Boat line, and the two-course luncheon given on board by the Rotarians, and for the candy given to every guest by Mr. Weatherly, the candy manufacturer of Elizabeth City. To the pastor and congregation of the Methodist church for the use of their Sunday school rooms for our daily sessions. To the Press of the city for their comprehensive reports of our daily sessions. To the associate editor, Mr. Ralph Pool, we are especially indebted, who gave unstintingly of his time, and reported all our work with fairness and understanding.

To the Kiwanis Club and Chamber of Commerce for the trip to the historic old town of Edenton, N. C., where so much history was made in the Colonial and Revolutionary days and for the two-course luncheon served us at the noted Cupola House. For the very interesting entertainment given by the Leader of the Children of the Con-

federacy, Mrs. Noah Burfoot, Jr., consisting of the children of Elizabeth City and Gatesville, the Sophie E. Martin C. of C. and The Stars and Bars Chapter, C. of C., Mrs. W. R. Cowper, Leader.

To the men, young girls, the pages, and our hostesses of the city we give many thanks.

To the School Board, the High School Boys' band, who showed much talent. To the young lady stenographer, Miss Dozier, who was faithful to the end.

To one and all, we thank you for contributing so much to our welfare and entertainment.

REPORT OF THE CORRESPONDING SECRETARY

Madam President and Daughters of the Confederacy:

It has been an honor to be one of the officers of the U. D. C. and a privilege to serve in the capacity of your Corresponding Secretary.

It has been a matter of deep regret to me that I have not been able on account of illness to do the entire work allotted my office. And it is with still keener regret that I realize it is necessary that I resign from the office.

After the Convention last fall I notified all members of Committees of their appointments and sent a list of all such Committees to each chairman that she might get in touch with the particular Committee.

I wrote each Chapter President telling her the name of her district leader. In March I notified all Chapter Presidents of the taxes due for current year.

A list of those whom we lost by death in the Division was made and sent to State Division President and to the General Division Corresponding Secretary.

I have written 227 letters.

Respectfully submitted,

(MRS. DON E.) MARGIE GRAY SCOTT,
Corresponding Secretary.

In Memoriam

MRS. JACKSIE DANIEL MORRISON

"God's finger touched her and she slept."

For many months our most skilled physicians and a loving husband battled with the dread disease which took from a happy home its queen and from the North Carolina Division, United Daughters of the Confederacy one of its most devoted and valued members, Mrs. Jacksie Daniel Morrison.

It was on the morning of December 24, 1924 when the Christian world in gala attire was making ready for the celebration of the birth of the Christ child that the sad intelligence of Mrs. Morrison's passing was flashed over the wires of the Southland. For she was known and loved throughout the South and wherever there are Daughters of the Confederacy.

Intensely interested in the purpose of the U. D. C. and untiring in her zeal, she gave unsparingly of her time and means to the promotion of its interests and to the comfort of the men and women of the Confederacy. Her record of service to the North Carolina Division as Recording Secretary for seven years and as President for two is one of unselfish labor, of intelligence and of success. As North Carolina Director for the Jefferson Davis Monument and the Jefferson Davis Highway, she rendered invaluable service. Her last work was the placing of the temporary markers, which she gave, on the Jefferson Davis Highway across North Carolina. Soon thereafter her condition became alarming and she was denied the gratification of seeing the Jefferson Davis Monument for which she had striven so diligently and so successfully unveiled. Her loving kindness to all Confederate Veterans won their grateful love. Those of her county mourn the death of their good friend whom they esteemed as a real Daughter.

Our Convention is incomplete without her. We are saddened by her absence. We miss her wise council and sweet presence.

"Sweet be her sleep."

MRS. CORNELIA BRANCH STONE, THE SWEETHEART OF THE CONFEDERACY

He giveth His beloved sleep.

At the mention of the name of this most beloved of all United Daughters of the Confederacy, how every heart within that great organization beats with love and pride! Truly in life was she the beloved woman of the Southland, and when on January 18th, 1925, her gentle spirit returned to her Maker and His Home on High, truly did every heart feel that a personal sorrow had come to the U. D. C. members.

Cornelia Branch Stone was born in Texas January 14, 1840, and was the daughter of Judge Edward T. Branch, a soldier of the Republic of Texas. At the age of fifteen Cornelia Branch married Henry Clay Stone, a Virginian by birth, and to this marriage came one son to brighten their lives. In 1887 the death angel called her husband away, and from this time on Mrs. Stone devoted herself to the education of this child of her young life. A bright promising future seemed his as a physician, but his career was cut short by an early death and our dear Sweetheart was left alone.

From this time on she gave of her time and her remarkable talents to the organization she most loved, and which most dearly loved and honored her—the United Daughters of the Confederacy. She was President-General of this organization for two terms in 1908-9, and later was chosen Honorary President, the only life office within its gift. On a visit to the North Carolina Division during the incumbency as President-General, Mrs. Stone was made an Honorary Member of that Division and at all Conventions she was proud to wear our State badge in recognition of that honor.

Of the beautiful character and remarkable talents of this precious woman of sweetest memory times does not allow me to speak at length, but the wonderful influence she ever carried when her opinions were asked for proved above all else the high esteem in which her opinions were held by the women, who so loved and admired her.

One of the proudest moments of her life came when at the Savannah Convention North Carolina suggested that a scholarship be endorsed bearing her name. What a splendid forethought to thus honor a woman while she yet lived to appreciate it and what a joy

to remember this pleasure given to one, who so soon was called to become only a memory! None will live longer and become yearly more precious than our own dear Sweetheart of the Confederacy.

Peace, a blessed peace, is hers and in that eternal peace we leave her gently sleeping.

FANNIE RANSOM WILLIAMS.

MRS. T. W. WILSON

On Novmber 8th, after many months of pain, patiently borne, Mrs. Bessie Duff Wilson, "fell on sleep" and her spirit passed to the rest "which remaineth to the children of God."

A native of Tennessee, she came to Carolina as a child, grew to lovely womanhood and married Mr. Thomas W. Wilson. As a loving, loyal wife and mother, she built up a home for her loved ones. Hers was a spirit of earnestness and zeal. In her church, which she loved and served faithfully; in her quiet home circle, and in her town and state, she wielded an influence which will long bear fruit.

We knew her best in the work of our organization and gave her the highest honor in our power to bestow; she was our leader and guide for two years. Her fine executive ability, her clear judgment and gentle courtesy welded us into a harmonious whole, and as children of old "we rise and call her blessed."

Her life was like a beautiful garden, with walks bordered by flowers and fruits of the spirit, love, joy, peace, gentleness, goodness, faith and "the charity which thinketh no evil."

Into God's gracious mercy and protection we commit thee, the Lord bless thee and keep thee, the Lord lift up His countenance upon thee and give thee peace for evermore." Amen.

We have no Veterans in actual want, but we have a special fund to use if the occasion should arise.

The yearly prize offered for the best essay on Lee or Jackson is a coveted honor in the Grammar grades.

One of the most helpful features of our year's work was the budgeting. This gave our Chapter a well rounded year's work by seeing our opportunities of service through the year, instead of in periods of giving, followed by periods of a bankrupt treasury.

The best thing this Chapter has done this year is to adopt a "Grandmother" at the Confederate Woman's Home and do little things for her.

WELDON—EVA C. DAVIS CHAPTER

Nummber of members in Chapter: 21.

New members: 17—38.

The Eva Davis Chapter has held meetings during the year at homes of members with good attendance. Generally an interesting program was followed by refreshments served to all free. The Children have been urged to be polite and kind to Veterans and old people especially. They have adopted one of the ladies at the Home in Fayetteville and sent a box at Christmas and Easter, valued at $8.00. Paid $5.00 to the Jefferson Davis Highway, $1.00 to Mrs. Randolph Fund, and bought one book, "Women of the South in War Times," and registered 17 new members.

At the District Convention held in Weldon the older girls served as pages and the Children took part in the exercises, and enjoyed the luncheon served by the Mother Chapter. 19th of January was ob-

served at the school and graves of Veterans decorated on May 10th. Fruit and flowers sent to sick and shut-ins and much interest shown in the work.

Receipts: $16.00.

Disbursements: $16.00.

MRS. C. R. CHITTENDEN, Leader.

WHITEVILLE—COLUMBUS GRAYS CHAPTER

The Columbus Grays have met at regular intervals during the year. At these meetings the aim has been to foster a spirit of love and appreciation for the men and women of the Confederacy and keep fresh in the minds of the Children interesting facts of history.

We enrolled two children in the Stone Mountain Founders Roll. At Christmas we sent boxes to the Confederate Home in Raleigh, and to the Old Ladies' Home in Fayetteville. We also remembered the Confederate Veterans in the country. We have adopted one of the old ladies in the Fayetteville Home; we write to her regularly and send her gifts occasionally.

We are hoping to do more during the coming year.

ADA MacRACKAN, Leader.

WILMINGTON—GEORGE DAVIS CHAPTER

Number of members in Chapter: 15.

New member: 1.

The George Davis Chapter was taken over by the present leader October, 1924, with 15 members.

There were 25 names on the roll, but when the books were examined there were only 15 in town. Some were attending college while others had moved out of the city, and one had married. Twenty-four (24) application papers have been given out; 3 have been returned. One has been accepted and the othre two have just been received.

Losing 10 members was discouraging but the 15 that remained have done good work. Their meetings have been interesting with splendid programs and from one to three Historical papers at each meeting on a general of the Confederacy. They conduct their meetings according to parliamentary law. They open with prayer by the

leader and the Lord's Prayer in concert. Next year we hope to have a chaplain, one of the Children who will lead in prayer.

They meet in the various homes with a social hour and refreshments after the business session. They have contributed to the following causes:

The Jefferson Davis Highway, $10.00; The Tempe Whitehead Holt, Scholarship, $5.00; The Monticello Fund, $1.00; The N. C. Monument at Gettysburg, $1.00; The Woodrow Wilson Memorial Scholarship, $1.00; sent one floral design, $2.50; one file, 60 cents; stamps for Secretary, $1.00.

Two members will compete for the State prizes. Chapter had one cake sale and sent away one Christmas box. They celebrated "Gettysburg Day," and attended the Memorial day exercises, May 10th. They had an interesting Christmas program with social. The May meeting was held in the woods with picnic afterwards. The Chapter has a Scrap Book which was started by Mrs. William Parsley and Miss Mary Sanders with articles in it dated 1898. Several pictures and instructive articles have been collected for this book during the past year.

Receipts: $37.39.

Disbursements: $22.10—balance in bank: $15.29.

(MRS. E.) MARGARET D. PHILYAW, Leader.

CONSTITUTION AND BY-LAWS

OF THE

NORTH CAROLINA DIVISION

UNITED DAUGHTERS OF THE CONFEDERACY

(As Revised October, 1924)

ARTICLE I

NAME

The name of this organization shall be the North Carolina Division of the United Daughters of the Confederacy, and the business office shall be the place of residence of the Recording Secretary.

ARTICLE II

OBJECTS

The objects of the United Daughters of the Confederacy shall be historical, benevolent, educational and social.

1st. To honor the memory of those who served and those who fell in the service of the Confederate States, to protect, preserve and mark places made historic by Confederate valor, to collect and preserve the material for a truthful history of the War between the States, and to see that same is taught in our schools, also to recall the part taken by Southern women in patient endurance of hardship and patriotic devotion during the struggle, as in untiring efforts after the war during the reconstruction of the South.

2d. To fulfill the sacred duty of benevolence toward the survivors and towards those dependent upon them.

3d. To assist descendants of worthy Confederates in securing proper education by securing scholarships for them.

4th. To bring into the organization all women eligible to membership, and to cherish the ties of friendship that bind us in one great organization.

ARTICLE III

MEMBERSHIP

Sec. 1. There shall be three different classes of membership, viz: Regular, Honorary, and Associate.

Sec. 2. Regular members are those women who are the widows, wives, mothers, sisters, nieces, grand-nieces and lineal descendants of such men as served honorably in the Confederate Army, Navy, or Civil-Service, or those men unfit for active duty who loyally gave aid to the Southern Cause during the war, and the lineal descendants or nieces of such women, wherever living. Northern women, having no male relatives who served the Confederate States of America in the War between the States, 1861-1865, and having themselves performed no special services to same, but having married a Confederate soldier since 1865, and through this means becoming a member of the United Daughters of the Confederacy, shall have the words "by adoption" placed upon their certificate of membership, and upon the Registrar's books, and in all rosters shall be designated as members "by adoption;" said members being entitled to all honors and privileges of this Association except that of holding office in the General Association, Division or Chapters, except that of transmitting this honor to members of her family, only her children of a Confederate father. The honor dies with her if she has no children.

Sec. 3. Honorary members are those women who can fill the above requirements, but are not members of the organization, or who being regular United Daughters of the Confederacy it is desired of the Division to honor.
